Dear ██████████

RE: Request for Information – RFI3483

Thank you for your recent email, which was processed under the Freedom of Information Act 2000 (FOIA). You requested the following information:

Can you please provide me with a breakdown of Highways England expenditure with construction companies for each of the last two financial years? Can you please do this in a format that also lists the top 20 contractors by spend for each of the last two financial years (2019/20 and 2020/21)?

Can you please also include joint ventures within the total?

We asked for clarification regarding your request and you advised as follows:

Apologies, that should have said Homes England rather than Highways England as it was meant for you.

Response

We can confirm that we do hold the requested information. Please find enclosed Annex A which contains the data requested for the last two financial years 2019-2020 and 2020-2021.
