

# EMPLOYMENT TRIBUNALS

**Claimant:** Ms E Tincu Stratton

**Respondent:** The Network (Field Marketing and Promotions) Company Ltd  
t/a JYL Hand to Hand

## JUDGMENT

The respondent's application dated 1.6.21 for reconsideration of the judgment sent to the parties on 27.5.21 is refused.

## REASONS

There is no reasonable prospect of the original decision being varied or revoked, because:-

1. the interests of justice do not require a review in that Claimant seeks to re-litigate matters of fact and law on which the tribunal has reached a reasoned determination;
2. the Claimant seeks to rely on further evidence (being emails from 2014 and 2015) and there is no explanation as to why these emails were not put before the final merits hearing.
