

PUBLIC NOTICES

THE OFFSHORE OIL AND GAS EXPLORATION, PRODUCTION, UNLOADING AND STORAGE (ENVIRONMENTAL IMPACT ASSESSMENT) REGULATIONS 2020

RHUM PRODUCTION INCREASE

As advised in a public notice published Friday 11 June 2021, Serica Energy (UK) Limited has made an application for consent to the Oil and Gas Authority ("the OGA") in relation to the above project. Since publication of the original notice, a number of corrections have been implemented in the associated environmental impact assessment ("EIA") which is now available for review. Those corrections are: Abbreviations - EEMS added, Section A2 and A5 - licensee name clarification, A4 - top row of table reformatted, B2 - WIA number updated and Bruce quadrant/block numbers corrected, Introduction - unit of measurement changed to million m3, Section 4 - pipeline descriptors amended, Section 6 - location clarified as existing, 7.4.3 - block names corrected, Table 8-2 - titles amended, Table 8-3 - title amended, correction of numerical values and footnote added, and Section 8.2 - text update in final paragraph - diesel added.

Summary of Project

The project involves a workover of the R3 well to increase production levels from the Rhum Field. The R3 well will produce condensate and gas to the Rhum central manifold that is tied back to the Bruce platform (59° 44' 34" North; 01° 40' 22" East). Located in the NNS in block 3/29, the associated subsea infrastructure includes the Rhum manifold, 16" Production Pipeline (PL2091), IMS Line (PL2092) and umbilical (PLU2099).

Environmental Impact Assessment and Consent Process

In accordance with the above-mentioned Regulations, the project is subject to an environmental impact assessment procedure ("EIA").

The OGA is responsible for deciding whether or not to grant consent for the project, but agreement to the grant of consent must be obtained from the Secretary of State for Business, Energy and Industrial Strategy ("the Secretary of State") prior to consent being granted. The Secretary of State's decision on whether to agree to the grant of consent is based on the environmental impact assessment for the project.

The range of possible decisions in response to the application of consent is:

the Secretary of State agrees to the OGA's grant of consent following the Secretary of State's conclusion regarding the environmental effects of the project, and the OGA grants consent, so the project may proceed:

1. the Secretary of State refuses to agree to the OGA's grant of consent following the Secretary of State's conclusion regarding the environmental effects of the project, so the project may not proceed; or
2. the Secretary of State agrees to the OGA's grant of consent following the Secretary of State's conclusion regarding the environmental effects of the project, but the OGA does not grant consent, so the project may not proceed.
3. Where the Secretary of State agrees to the grant of consent, conditions that Serica Energy (UK) Limited must comply with may be attached to the agreement, including environmental conditions to avoid, prevent, reduce or offset any significant adverse effects on the environment, and measure to monitor such conditions.

Notice of the decisions of the Secretary of State and OGA decisions for the project will be published at: <https://www.gov.uk/guidance/the-2020-eia-regulations#environmental-impact-assessments-eia> where information on the Secretary of State's decision to agree to or refuse to agree to the grant of consent will also be made available.

Access to Further Information

Copies of this notice, the summary of the project and the Environmental Statement can be viewed and downloaded at <https://www.serica-energy.com/environmental-statement-R3> and at <https://www.gov.uk/guidance/the-2020-eia-regulations#environmental-impact-assessments-eia>. Access shall remain at least three months after the date on which the Secretary of State publishes the notice under Regulation 16(1) (publication of consent decisions).

A copy of the Environmental Statement and summary of the project may also be obtained by post or email. Requests should be made to Serica Energy PLC, H1, Hill of Rubislaw, Anderson Drive, Aberdeen, AB16 6BL, by email to info@serica-energy.com or by telephone 01224 978400 by 02/08/2021.

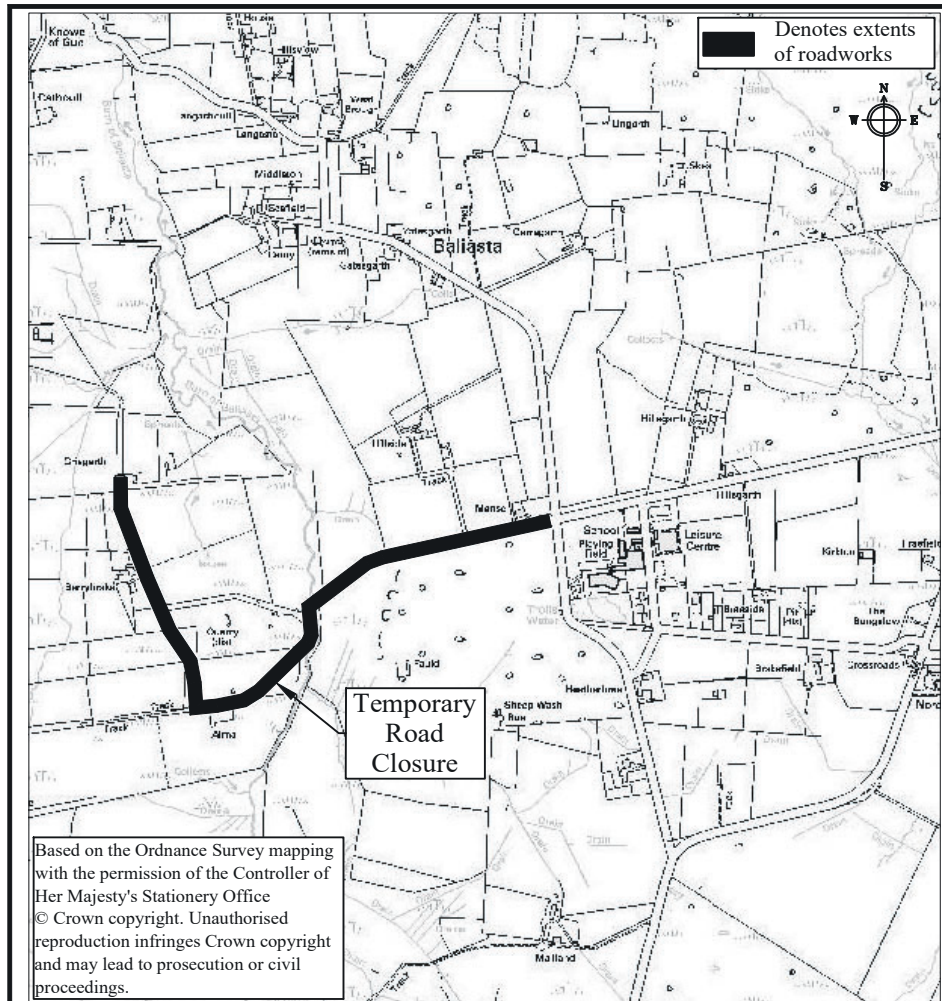

Public Consultation

Representations, comments or questions relating to the project may be made to the Secretary of State by 02/08/2021. All representations should quote reference number D/4267/2021 and may be made by letter or by email to:

Business Support Team
Offshore Petroleum Regulator for Environment & Decommissioning
Department for Business, Energy and Industrial Strategy

SHETLAND ISLANDS COUNCIL

The Council proposes to make the Shetland Islands Council (Sandveien, Lerwick) (Parking Place for Disabled Person's Vehicles) (Revocation No 3) Order 2021 under the Road Traffic Regulation Act 1984, as amended, to revoke a disabled parking space at the frontage of Number 125 Sandveien, Lerwick. Full details of the proposed Order can be examined at the Roads Service, Gremista, Lerwick, Mon-Fri 9am to 5pm. Objectors must state their reasons in writing by 30/07/21 to: Director of Infrastructure Services, Lower Building, Gremista, Lerwick ZE1 0PX.

EAST VOE MARINA LTD AGM

Will be held in the Marina Portakabin on Sunday, 25th July, 2021, at 8pm.

PROPOSED DIVISION OF A TENANTED CROFT

Dennis B Johnson, Vidlin Farm, is applying to divide the tenancy of the croft at Vidlin Farm Shure, Lunnasting. The application includes the division of grazing rights in the West Hill (Sandwick, Sweening and Laxo common grazings). Written comments from those with a relevant interest (which may be made public) to: Crofting Commission, Leachkin Road, Inverness IV3 8NW, info@crofting.gov.scot within 28 days from the date of the advert.

SHETLAND ISLANDS COUNCIL

On 29th June 2021, the Council made the (Russell Crescent, Lerwick) (Parking Place for Disabled Person's Vehicle) Order 2021 under the Road Traffic Regulation Act 1984, as amended, a disabled parking space in Russell Crescent, Lerwick. This space has been requested by a qualifying Blue Badge holder residing nearby. Only Blue Badge holders, police or emergency vehicles will be permitted to park on that section of Russell Crescent, Lerwick, which will be appropriately marked out. The Order shall come into effect on 4th July 2021. Any person wishing to question the validity of the Order may, within 6 weeks from the date on which the Order was made, make application for the purpose to the Court of Session.
