IV. Veterinary declaration - by APHA/DAERA veterinarian

I hereby certify, on the basis of official records, the following:

- a) that scrapie has not been confirmed in the parents identified at paragraph I above;
- b) scrapie has not been confirmed in any siblings (this is based on no confirmation of scrapie in sheep bearing the same flock number as the donor) should siblings have been retagged then their individual identification would be required
- c) scrapie has not been confirmed on the holding/s on which the donor animal was resident since birth as mentioned in paragraph II above, for the last 7 years.
- d) The UK follows the OIE Terrestrial Code of recommendations for the control and eradication of scrapie
