

EMPLOYMENT TRIBUNALS

Claimant: Mr A Akerele

Respondent: ICTS (UK) Ltd

JUDGMENT

The Claimant's application dated 4 October 2020 for reconsideration of the judgment sent to the parties on 30 September 2020 is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked because:

1 The Claimant had a fair hearing. The hearing lasted one day. The Tribunal read the witnesses statements and looked at the documents from 10.30 to 1 p.m. That included the Claimant's statement which comprised 16 typed pages. The Claimant was cross-examined from 2 to 2.50 p.m. He had the opportunity to cross-examine the Respondent's two witnesses. Both parties made closing submissions. The Tribunal gave its decision with reasons at 3.55 p.m.

2 The Tribunal determined the issues that had been identified at the preliminary hearing following a long discussion with the Claimant to clarify and understand the issues.

3 If the Claimant contends that there was an error of law or misdirection on the part of the Tribunal, that is a ground for appeal to the EAT. The Tribunal does not accept that there was any such error.
