

## **Working Group for Microbiology Standards in Clinical Bacteriology membership**

The role of the Bacteriology Working Group Chaired by Dr Riina Richardson is to recommend and present good microbiology standards consistent with current good practice that will ensure an acceptable standard of working for bacteriology investigations in the UK.

### **Chair**

Dr Riina Richardson  
Consultant in Medical Mycology and Senior Clinical Research Fellow in Infectious Diseases Education & Research Centre  
Wythenshawe Hospital, Manchester

### **Secretariat**

Ms Ruhi Siddiqui, Head of Standards Unit - (UK SMI)  
Ms Shahmeen Ali, Healthcare Scientist Standards Unit - (UK SMI)  
Mrs Rina Shah Desai, Research Scientist Standards Unit - (UK SMI)

### **Members**

Dr Andrew Sails  
Area Manager  
Society for Applied Microbiology

Dr Claire Alexander  
Scottish Microbiology and Virology Network

Miss Collette Allen  
Microbiology Team Manager/Lab Manager  
British Society for Antimicrobial Chemotherapy

Mr David Jordan  
Scottish Microbiology and Virology Network

Ms Karen Reynolds  
Public Health Services Manager & Acute Bacteriology Manager  
Public Health Laboratory Birmingham

Mr Kenworth Vaughan  
Lay representative

Mr Lim Jones  
Consultant Microbiologist  
Public Health Wales

Dr Natasha Ratnaraja  
British Infection Association

Mr Nick Cowan  
Lay representative

Mr Phil Lewis  
Deputy Laboratory Manager  
Public Health Wales

Prof Rachel Chalmers  
Head of Cryptosporidium Reference Unit  
Public Health Wales Microbiology and Health Protection, Swansea  
British Society for Parasitology

Dr Rohinton Mulla  
Clinical Immunology, Infectious Diseases

Ms Sally Lowe  
Senior Biomedical Scientist  
British Society for Microbial Technology

Ms Sandra Higgins  
Scottish Microbiology and Virology Network

Dr Sayed Bukhari  
Consultant Clinical Microbiologist

Dr Shabnam Iyer  
Consultant Microbiologist  
British Infection Association

Mrs Shanine Mitchell  
Biomedical Scientist  
Institute of Biomedical Science

Mrs Shila Seaton  
Bacteriology Scheme Manager  
UK NEQAS

Dr Silke Schelenz  
Consultant Microbiologist and Infection Control Doctor at Royal Brompton Hospital UK  
Clinical Mycology Network and British Society for Medical Mycology

Dr Tanya Curran  
Consultant Clinical Scientist  
Northern Ireland Microbiology Forum and Audit Group

Ms Victoria Miari  
Association for Clinical Biochemistry and Laboratory Medicine

Effective from July 2021
