Hi [Redacted]

Sorry I need to rush off – but just to say that [Redacted] from the Brazil embassy called me and asked what time the meeting is. I said it is confirmed but I'm afraid I didn't know the time.

Please could you either let him know or ask PO to (details above)?

Thanks!!

Hi [Redacted]

Picking this up on behalf of [Redacted]

I will aim to send the briefing by 12pm tomorrow and will keep you updated.

I've not seen a response from BEIS SoS, but will follow up on this with [Redacted] Unfortunately, I don't have additional contact information for [Redacted] – do you have his contact number by any chance?

Thanks,

[Redacted]

Thanks for this [Redacted]

I'm afraid we would struggle to meet the deadline of 4pm today, we need to put by our G6s as it crosses a few policy areas and then need DD clearance, is there any flex on this deadline?

Andy is looping in comms ([Redacted]) in and will hand the briefing over for them to provide lines. The contact details for the embassy and BEIS are below, highlighted, for POs to liaise on times.

[Redacted] – to confirm, SOS may want a pre-brief on Thursday morning but grateful if you could put [Redacted] on standby for this as it's TBC.

Thanks

Hi [Redacted]

Thanks for speaking just now.

To confirm, SoS has agreed to meet Minister Salles. If we could have the briefing **today by 16:00** at the latest please that would be great (a single brief including input from Comms please).

Also please let me know who to get in touch with RE arranging a time for the meeting on Thurs.

Many thanks,

Thanks [Redacted]

Currently waiting on a response to this – hopefully will know more tomorrow.

Please can I ask that we have some briefing in train to prepare for the eventuality that it does go ahead? Please also see the attached letter with came through from Greenpeace concerning this meeting (which they seem to be under the impression is definitely happening although we have not confirmed yet).

Many thanks,
