Auditor's report

Independent Auditors' Report to the Members of the Warwick International Staff Association

We have audited the financial statements of the Warwick International Staff Association for the period ended 31st December 2020 which comprise the income and expenditure account and the balance sheet. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Opinion on financial statements

In our opinion, the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31st December 2020 and of its transactions for the period then ended; and
- have been properly prepared in accordance with the requirements of the sections 28, 32 and 36 of the Trade Union and Labour Relations (consolidation) Act 1992.

Basis for opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the officers in the preparation of the financial statements, and whether the accounting policies are appropriate to the Staff Association's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the annual return.

Respective responsibilities of the Executive Committee and auditor

The Trade Union and Labour Relations (Consolidation) Act 1992 and the Trade Union Reform and Employment Rights Act 1993 require the officers of the Warwick International Staff Association to: keep proper accounting records which give a true and fair view of the state of affairs of the association and explain its transactions; establish and maintain a satisfactory system of control of the accounting records, cash holding and all the receipts and remittances; prepare an annual return for the Certification Officer giving a true and fair view of the revenue account and balance sheet and provide members of the Warwick International Staff Association with a statement of income and expenditure for the year. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland).

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the club's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Executive Committee; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Return to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.

Auditor's report (continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Trade Union and Labour Relations (Consolidation) Act 1992 and the Trade Union Reform and Employment Rights Act 1993 require us to report to you if, in our opinion:

- proper books of account have not been kept by the union in accordance with the requirements of the legislation;
- a satisfactory system of control over transactions has not been maintained by the union in accordance with the requirements of the legislation;
- the revenue account to which our report relates, and the balance sheet are not in agreement with the books of account of the union; and
- we have not obtained all the information and explanations necessary for the purposes of our audit.

Use of our report

This report is made solely to the Warwick International Staff Association's members, as a body. Our audit work has been undertaken so that we might state to the Warwick International Staff Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Warwick International Staff Association's members as a body, for our audit work, for this report, or for the opinions we have formed.
