## STRIKE OUT JUDGMENT

The claimant's claims arising from events during and prior to September 2016, identified by the claimant as relating to the acts and omissions of GM Longshaw are struck out on application from the respondent. The claimant has no reasonable prospect of establishing that these events were part of a continuing act that extended past September 2016, or that it would be just and equitable to extend time to bring any claims arising from events prior to September 2016 in time.
