#### Going concern

Capital and reserves shows a deficit of £44,879 indicating that there is an excess of liabilities over assets.

Included in the liabilities are loans of £26,497 owed to Mr S Morris (an officer of the Union) and £15,400 owed to Mr E Bone (a former officer). Following the January 2021 repayment of £12,000, both gentlemen have agreed that no demand for repayment of these loans will be made until the company has sufficient funds to do so.

The officers have considered the financial position at the Balance Sheet date and, given that membership numbers have increased considerably since the year end, thus generating more income, and that the loans outstanding at 31 December 2020 are supported by the officers, they are satisfied that the Union is a going concern and that the accounts are completed on that basis.

#### Reclassification of comparative amounts

Adjustments have been made to loan balances and also the brought forward and carried forward retained surplus / deficit figure on the income and expenditure account, as detailed in note 8 and 9 to the accounts.

#### Income

Income represents amounts received in respect of membership subscriptions.

#### Depreciation

Depreciation is charged so as to write off the cost of assets over their estimated useful lives, as follows:

Asset class	Depreciation method and rate
Office equipment	25% reducing balance method

#### Pension contribution

A defined contribution plan is a pension plan under which fixed contributions are paid into a pension fund and the union has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions are recognised in the income and expenditure account in the period in which they become payable in accordance with the rules of the scheme.

#### Taxation

The Union is a not for profit organisation and as such, management expect there to be no taxable income and consequently no corporation tax liability arises.

### 7 Pension and other schemes

#### Defined contribution pension scheme

The Union operates a defined contribution pension scheme. The pension cost charge for the year represents contributions payable by the Union to the scheme and amounted to £898 (2019 - £687).

Contributions totalling £82 (2019 - £73) paid to the scheme after the year end are included in other creditors.

### 8 Related party transactions

A number of years ago the Union was liable to settle legal fees in respect of tribunal cases involving Mr S Morris (an officer of the Union) and Mr E Bone (a former officer) but it did not have the necessary funds available.

Both Mr Morris and Mr Bone agreed to personally settle the legal fees on behalf of the Union, and effectively created constructive obligations to them from the Union, in the form of loans. These loans have not previously been recognised in the accounts but it is appropriate to do so now.

The legal fees settled were £39,497 in respect of Mr Morris and £28,400 in respect of Mr Bone, so a total adjustment of £67,897 has been made to the accumulated brought forward deficit as at 1 January 2019.

Loan repayments of £1,000 each were made in 2019 and a further £12,000 each in 2020, reducing the total loans owed to £41,897.

Further loan repayments of £12,000 were made in the following accounting period.

### 9 Prior year adjustments

In previous years two minor loan balances were disclosed in the accounts, showing as £221 owing from and, separately, £21 owing to, an officer and former officer (respectively) of the Union. It is not known how these balances originally arose but the officers have determined that they are not in fact loan balances owing to / from the individuals concerned. In the circumstances, and given the amounts involved, no further investigation has been undertaken and the balances have been written off via a net £200 adjustment to the opening income deficit brought forward as at 1 January 2019.

The opening income deficit brought forward as at 1 January 2019 was originally stated as £5,255 but this has now been increased by the £200 adjustment above as well as the £67,897 adjustment regarding legal fees, as detailed above, giving a net increase of £68,097. The adjusted opening deficit as at 1 January 2019 is now therefore £73,352.

The loan repayments of 2 x £1,000 in 2019 detailed in the above note were erroneously treated as legal and professional fees in the 2019 accounts, and this has been corrected in these accounts. The surplus in the 2019 year is therefore increased from £6,139 as originally stated, to £8,319.

The Union had an opening balance surplus of £1,064 as at 1 January 2020, according to the 2019 accounts, but this is now restated to a deficit of £65,033 by virtue of the amendments (£2,000 increase) to the 2019 surplus and the 1 January 2019 opening position (£68,097 reduction).

# Workers of England Union

## Independent Auditor's Report to the Members of Workers of England Union

### Opinion

We have audited the financial statements of Workers of England Union (the 'Union') for the year ended 31 December 2020, which comprise the Income and Expenditure Account, Balance Sheet, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 Section 1A 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31 December 2020 and of its transactions for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of sections 28, 32 and 36 of the Trade Union and Labour Relations (Consolidation) Act 1992.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Material uncertainty relating to going concern

In forming our opinion of the financial statements, which is not modified, we have considered the adequacy of the disclosure made in note 1 to the financial statements concerning the Union's ability to continue as a going concern.

The Union had a net deficit of £44,879 on its balance sheet as at 31 December 2020, and expenditure in the first six months of 2021 has exceeded income.

These conditions indicate the existence of a material uncertainty which may cast significant doubt over the Union's ability to continue as a going concern. The financial statements do not include the adjustments that would result in the Union was unable to continue as a going concern.

### Other information

The officers are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Trade Union and Labour Relations Act 1992 requires us to report to you if, in our opinion:

- proper accounting records have not been kept;
- a satisfactory system of control over its accounting records, cash holdings and receipts and remittances has not been maintained; or
- the financial statements are not in agreement with the accounting records and returns.

# Workers of England Union

## Independent Auditor's Report to the Members of Workers of England Union

### Responsibilities of officers

As explained more fully in the Statement of Officers' Responsibilities (set out on page 3), the officers are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the officers determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

We have been appointed as auditor under section 33 of the Trade Union and Labour Relations Act 1992 and report in accordance with section 36 of the Act.

In preparing the financial statements, the officers are responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the officers either intend to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We obtained an understanding of the legal and regulatory frameworks that are applicable to the entity and determined that the most significant are those that relate to the Trade Union and Labour Relations Act 1992.

Based on the results of our risk assessment we designed our audit procedures to identify non compliance with applicable laws and regulations as above. We reviewed financial statement disclosures and tested to supporting documentation.

We assessed the risks of material misstatement in respect of fraud by making enquiries of officers, identifying particular areas that were susceptible to misstatement as part of our audit discussion, including review of related party relationships and transactions and detailed analytical review.

We considered the risk of fraud through management override and in response we tested controls, journal entries and other adjustments for appropriateness.

We evaluated the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made.

A further description of our responsibilities is available on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

### Use of our report

This report is made solely to the Union's members, as a body. Our audit work has been undertaken so that we might state to the Union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Union and the Union's members as a body, for our audit work, for this report, or for the opinions we have formed.
