

BULLETIN CORRECTION

Aircraft Type and Registration:	DJI Inspire 2 (UAS registration n/a)
Date & Time (UTC):	4 April 2021 at 1112 hrs
Location:	Covent Garden, London
Information Source:	Operator notification - Record Only

AAIB Bulletin No 7/2021, page 73 refers

Prior to publication it was noted that the text for the above Record Only report was incorrect.

The original text read:

The UAS was on the ground in the resting position while the operator was looking at the screen. The UAS suddenly took off and flew into a nearby building before falling to the ground.

This has now been amended to read:

The UAS was in a stable hover while the operator was looking at the screen. The UAS suddenly flew into a nearby building before falling to the ground.

The online report was corrected on 8 July 2021.
