Dear Miss Wells

Great Britain to Norway Multi-Purpose Interconnector (currently known as “Continental Link”)

Further to your request for clarification of East Riding of Yorkshire Council’s position, it is supportive of the proposed Great Britain to Norway Multi-Purpose Interconnector (currently known as “Continental Link”) being considered under the Planning Act 2008 as a Nationally Significant Infrastructure Project. It considers that it would be best to be dealt with under the same planning regime as other such energy projects in the area.

Yours sincerely

M. Sunman

Matthew Sunman MRTPI

Principal Development Management Officer – Minerals and Waste

Alan Menzies

Director of Planning and Economic Regeneration
