

EMPLOYMENT TRIBUNALS

Claimant Mr D Haynes

Respondents London General Transport (Go Ahead
London Limited)

JUDGMENT

1. The Claimant will pay the Respondent's costs in the sum of £1,250.

REASONS

1. In its judgment on 6 July 2021, the Tribunal made a provisional Order for costs in the sum of £1,250, which was subject to any representations from the Claimant by 27 July, both as to whether the costs order should be made, as well as to his personal financial means.
2. In the absence of any response from the Claimant, the Tribunal now makes that costs order.
