

EMPLOYMENT TRIBUNALS

Claimant: Mr A Burchell

Respondent: Glebe Housing Association Limited

JUDGMENT

The claimant's application dated 2 July 2021 and repeated on 13 July 2021 and 4 August 2021 for reconsideration of the judgment sent to the parties on 13 July 2021 is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked as requested by the claimant, because in his application for reconsideration he discloses no new evidence or argument that was not considered at the Tribunal hearing on 21, 22, 23, 24 and 25 June 2021.

The issues and evidence that the claimant asks the Tribunal to take into account in his reconsideration application are exactly those which were considered by the Tribunal prior to reaching its decision, which was given to the parties at the hearing on 25 June 2021 and provided in writing on 13 July 2021.

For the avoidance of doubt, the respondent has applied for reconsideration separately and on separate grounds, which application has been granted. The claimant's email of 4 August 2021 appears to confuse the respondent's application with his application but they are two separate issues and have each been decided on their own merits.
