The Tribunal shall give the parties at least six days written notice of the date it fixes.

(iii) The Tribunal shall receive (and record in such way as it thinks fit, such recording to be made available to either of the parties on request and payment of the reasonable cost of its copying/transcription) such evidence and/or submissions from the parties as each shall think fit (whether or not such evidence satisfies the rules of Court, according to its weight as it thinks fit), in each case in the presence of the other (if present at the hearing). The other party may ask such questions of witnesses or about evidence as the Tribunal may allow and the Tribunal may itself ask such questions as it thinks fit. Each party shall be limited to two hours for the presentation of its case (including such questioning) which the Tribunal will control in order to ensure that the party has a proper opportunity to make its case.

(iv) The Tribunal shall notify the President, the relevant Official and the parties in writing of its decision (which may be by majority) on the complaint, without cause given. It may absolve the Respondent or impose such penalty/ies as it thinks fit from within those permitted by this Rule.

(iii) The National Council shall consider the evidence and submissions presented to the Tribunal, and shall hear and question the Respondent for a maximum of 30 minutes or consider any written submissions if he does not exercise his right to attend.

- (iv)** The National Council shall then notify the President, the Chief Operating Officer) (and the Official if he is not the Chief Operating Officer) and the parties in writing of its decision on the appeal (by majority if applicable), without cause given. There is no right to legal representation before any Tribunal and/or the National Council or in correspondence in connection with any complaint or appeal. APPENDIX 1 STANDING ORDERS

Set out here are the rules and procedures used at Annual Conference. Apart from being a useful reference, you may also find them helpful in setting guidelines for the conduct of District and Business Meetings.

1. CHAIRMAN

The retiring President of the Federation shall preside at the opening of the Conference and shall continue in the Chair until the new President is installed at the conclusion of the Conference.

When the Chairman rises, no one else shall continue standing, nor shall anyone else rise until the Chair is resumed.

On the resumption of the Chair, a member whose speech has been interrupted by the rising of the Chairman, may again rise and complete his remarks in such time as remained to him when the Chairman rose.

2. DISOBEYING THE CHAIR

Any person disobeying the ruling of the Chairman may be suspended for the remainder of the meeting upon the motion of the Chairman or of two others, put without debate and carried.

3. CHALLENGING THE CHAIR

Any delegate not agreeing with the ruling of the Chairman can challenge the same by moving: 'That the Chairman do now leave the Chair'. This must be seconded without any speech being made, and shall at once be put to the meeting by the Vice Chairman.

The Standing Orders Committee shall act as Scrutineers.

- (b) When two or more members rise to speak, the Chairman will call upon the member whom he first observes, and there must be acquiescence in his call.
- (c) Each speaker shall announce clearly his name and his District or Branch to the meeting.

- (f) Every member shall be seated, except the one who may be addressing the Conference and such Officers as may be carrying out other necessary duties.
- (g) No member shall address the Conference more than once on any question (except as permitted by Standing Order No. 11 (e) in the case of a member formally seconding a motion), but the mover of an original resolution may

reply to the discussion, in which reply he shall not introduce any new matter, but shall strictly confine himself/herself to answering previous observations.
(h) No member, may speak to any question after it has been fully put that is to say, after the question has been put from the chair and the voices have been given thereon, both in the affirmative and the negative.

7. TIME LIMIT FOR SPEECHES

The mover of an original motion may speak for not more than seven minutes, and in exercising his right to reply, may speak a second time for no more than four minutes. Upon a matter of order suddenly arising, any member may speak if he does so immediately, and commences by a statement that he rises to a point of order. The member who is addressing the meeting must thereupon resume his seat, as also must the member who rose to order when he has concluded his appeal to the Chair.

The Chairman shall give his ruling which shall be final.

(Note A "Point of Order" is a submission on procedure addressed to the chair and upon which ruling is required. It is not to be used as an excuse for making a speech)

9. POINTS OF EXPLANATION

A member may rise on a 'Point of Explanation'. which must be strictly confined to some material part of the member's own former speech which has been misunderstood.

10. STANDING ORDERS COMMITTEE - DUTIES, ETC.

The Standing Orders Committee elected by the National Council shall, at a meeting or meetings held before the Conference begins, prepare the Preliminary and Final Agendas, on which shall be placed **inter alia** all notices of motions and amendments on the Final Agenda, the amendments to be placed in the Order in which they stand in relation to the working of the proposed resolution.

The Standing Orders Committee may recommend the allocation of a certain amount of time to any motion on the Agenda.

Where two or more motions or amendments appear to have a similar object in view, the Standing Orders Committee may take steps to induce the moving bodies to agree to combine the motions or amendments, and so present a clear issue to the Conference.

The Standing Orders Committee will see that resolutions are correctly worded for submission to the Conference, and that the Standing Orders in respect of amendments are complied with.

The Standing Orders Committee, having taken legal advice, may declare a Motion to be out of Order in the event that it:-

- a. In itself is illegal or urges illegal action; or
- b. Cannot be implemented without a breach of the general law of the land or of an injunction; or
- c. Renders the Federation vulnerable to possible action by the relevant Government Departments.

In the event that a Motion is ruled out of order because of (a) above, the Standing Orders Committee shall have a discretion as to whether to permit it to be

published in the Agenda and whether it may be debated but it may not be subject of a vote.

If a Motion is ruled out of order by virtue of (b) or (c) above, the Motion shall be published and Standing Orders Committee may as it sees fit allow it to be debated but not voted upon. Immediate notice must be given to the proposer of any alteration of Rule or Motion ruled out of order, together with the reasons for withdrawal.

A motion failing to find a mover and seconder shall be considered withdrawn.
- (d) Every original Motion shall be read by the mover before being spoken upon, if he so desires and no Motion or amendment shall be spoken upon except by the mover, until it has been seconded.
- (e) If the mover of an original Motion, or of an amendment, sits down without speaking upon it, he shall lose the right of addressing the meeting thereon, but the mover of an original Motion shall still have the right of reply. If the seconder of an original Motion (but not an amendment) sits down without saying more than "I beg to second the Motion", he shall not thereby lose the right of addressing the meeting thereon later.
- (f) No Motion or amendment may be proposed which is the same in substance as a Motion or amendment which has been resolved in the affirmative or negative during the same Conference.
- (g) A Motion or amendment having been moved and seconded may not be withdrawn, except by leave granted by the Conference.

12. COMPOSITE MOTIONS

A Composite Motion, i.e. one that covers the aims of a number of original Motions which meets with general agreement, must be treated as being a brand new Motion and, as such, the proposer of the Composite Motion shall have the right of reply.

13. PROCEDURE IN REGARD TO AMENDMENTS

- (a) Any number of amendments may be moved, provided that each amendment has reference to the subject matter of the Original Motion.
- (b) No member of the Conference shall move or second more than one amendment on any Motion.
- (c) Every amendment must be relevant to the Motion upon which it is moved, and be framed so as to form therewith an intelligible and consistent sentence.
- (d) Each amendment to a Motion should be moved in the order in which, if agreed to, it would stand in the amended Motion.
- (e) Whenever an amendment is moved to any Motion, no second amendment shall be taken into consideration until the first amendment is disposed of. If that amendment is carried, the amended Motion shall be put as a substantive Motion, to which a further amendment may be moved or other words or

figures added, provided they do not amend the altered words or figures. If the first amendment be negative then a further amendment may be moved to the original Motion, but only one amendment shall be submitted to the Conference for discussion at one time.

- (f) If the Chairman is of the opinion that an amendment is the same in substance as one which has been already before the meeting, or it is a direct negative, he shall rule it out of order.

14. **CLOSURE OF DEBATE**

At the close of a speech any member who has not spoken on the question before the Conference may move 'That the question be now put'. This Motion, on being seconded, must be put immediately, without debate, unless it appears to the Chairman that such Motion is an abuse of this Rule. If carried, the Chairman will, if an original Motion is under discussion, call upon the proposer to reply, and after such reply the question shall be put. If an amendment shall be under discussion, the question shall be put forthwith and the closure shall apply to that amendment only.

15. **MOTION TO PROCEED TO THE NEXT BUSINESS**

A Motion "That the Conference proceed to the next business" may be moved by a member who has not spoken on the question before the Conference, whether there be an amendment under discussion or not. On the seconding of this Motion, the Chairman shall, without discussion, immediately put the question to the vote. No speech shall be made by the mover or seconder. If carried, the Original motion shall be treated as dropped. If defeated, no second Motion 'To proceed to the next business' shall be allowed while the same main question is under discussion, within thirty minutes of a previous Motion to that effect.

16. **THE PREVIOUS QUESTION**

"The previous question" may be moved and seconded by delegates who have not previously participated in the discussion, and if accepted by the Chairman, takes precedence over all amendments. In accepting "the previous question", the Chairman must make clear that no discussion is permissible and he must put it to the vote at once. If it is carried, the discussion on the original Motion will be terminated forthwith and cannot be raised again during the same Conference and all later amendments fall. If 'the previous question' is defeated, the discussion on the original Motion is resumed. The previous question' cannot be raised on an amendment, but only on an original or substantive Motion.

N.B. 'The Previous Question' may be introduced at Annual Conference, National Council, District Council and Branch Meetings, but cannot be raised at any Committee Meeting).

17. **ADJOURNMENT OF DEBATE**

Any member who has not already spoken may move the adjournment of the debate which must be seconded. Brief speeches only may be made, and the mover of the original Motion may reply to the mover of the adjournment without prejudicing his right of reply on the main Motion. If the adjournment of the debate is carried, the meeting proceeds to the next item on the agenda. On the resumption of the debate the mover of the adjournment Motions shall have the right to be the first speaker.

18. **SUSPENSION OF STANDING ORDERS**

Any member has the right to move the suspension of Standing Orders, which must be seconded, and carried by a two-thirds majority of the delegates voting.

The delegate moving the suspension must state precisely which Standing Order(s) he desires to be suspended, by referring to its title and number, and the length of time he desires the suspension. Suspension of Standing Orders may only be moved to discuss subjects of urgency and importance to which precedence should be given or to extend or restrict the time limit on speeches, or the method of one speech only per delegate. The Chairman has the right to use his discretion as to whether he will accept a Motion for suspension.

(N.B. Where appropriate, these Standing Orders and Rules of Procedure should be applicable at National Council and District Council Meetings).
