- (c) Identification marks on packaging (e.g. lot/batch numbers):
- (d) Net weight of consignment:

II Origin of products

- (a) Name and address of the manufacturing plant:
- (b) Name and address of exporter:

III Destination of products

- (a) The product was despatched from The United Kingdom to:
- (country and place of destination)

(b) Name and address of consignee:

(c) Means of transportation:

IV Health information

I, the undersigned, hereby certify that a declaration has been received from an authorised signatory of the manufacturer stating that:

- 1. the product was manufactured in a facility which does not receive, store or process any material of biungulate origin (other than dairy ingredients);
- 2. the product does not contain any mammalian meat meal, bone meal, meal and bone meal or any materials derived from biungulate species (other than dairy ingredients);
- 3. the only ingredients of animal origin used in the manufacture of the products described at I(a) overleaf are dairy ingredients which:

(a) were derived from the following countries:

(b) the milk product was processed in _____, a region listed in 9CFR94.1(a)2 of the American Code of Federal Regulations, from milk produced in _____, a region listed in 9CFR94.1(a)2 as free of foot-and-mouth disease and rinderpest. The milk product has never been in any region where foot-and-mouth disease or rinderpest exists, except when moving under seal as described in 9CFR94.1(a)2, and the exporter has declared that he/she* has checked the list at: <http://www.aphis.usda.gov/vs/ncie/country.html> on the US National Center for Import and Export (NCIE) website prior to writing the declaration;

(1)4. with respect to import permit numbered _____, I further certify that:

(1) if no further information is required in order to meet the conditions for the import permit, this entire paragraph may be deleted.
