SAINT IVES.

Provisional Order of the Board of Trade for the Improvement, Maintenance, and Regulation of the Harbour of Saint Ives in the County of Cornwall.

Whereas, under The General Pier and Harbour Act, 1861, the Saint Ives

Preamble.

Harbour Commissioners made application by a memorial to the Lords of the Committee of Her Majesty's Most Honourable Privy Council appointed for the consideration of matters relating to Trade and Foreign Plantations, herein-after called the Board of Trade, praying the Board of Trade to make a Provisional Order under the said Act, and thereby to empower such Commissioners (among other things) to make and maintain a pier and other accommodation connected therewith at Saint Ives, in the County of Cornwall, and to take land on lease or otherwise by agreement to an extent to be limited in such Order, and to levy and recover rates at such works not exceeding the amounts specified in the Schedule of rates thereto annexed, and to raise money for the purposes of such works, and thereby also to regulate the borrowing powers of such Commissioners, and therein to specify such terms and conditions to be observed by such Commissioners for the formation, management, and maintenance of such works as to the Board of Trade might seem fit:

And whereas the estimated expenditure on the proposed works is twenty thousand pounds and no more:

And whereas, within the time in the said Act limited in this behalf, the promoters deposited copies of the said memorial and of the plans, sections, and working drawings of the proposed works at the office of the Clerk of the Peace for the County of Cornwall, and notice of such deposit was published according to the requirements of the said Act:

And whereas the promoters deposited at the Admiralty Office copies of the said memorial, plans, sections, and working drawings, and on the application of the promoters the Lords of the Admiralty have given their sanction to the proposed works:

And whereas the promoters prepared a schedule of rates to be levied at the proposed works, and published the same, according to the requirements of the said Act, and deposited a printed copy thereof at the office of the said Clerk of the Peace, and transmitted a copy thereof to the Board of Trade, and therewith a statement showing the state of the existing works, the probable or estimated amount of the rates to be levied at the existing works, and also at the proposed works, and also the estimated amount proposed to be expended on the works:

And whereas a certain objection to the said schedule was forwarded in writing to the Board of Trade within the time in the said Act limited in this behalf:

And whereas the Board of Trade, at the time in the said Act appointed in this behalf, took the said schedule and statement into consideration, and made such inquiries and obtained such further information in reference to the several matters therein set forth and to the objection aforesaid as they deemed expedient:

And

transmitted as aforesaid before the passing of The General Pier and Harbour Act, 1861, Amendment Act:

Pier and Harbour Orders Confirmation.

And whereas it appears to the Board of Trade to be expedient that the same, as modified on the objection aforesaid, should be authorized by a Provisional Order, and accordingly the Board of Trade have finally adjusted and fixed the schedule of rates hereto annexed, such rates not exceeding the rates specified in the schedule so prepared, published, deposited, and transmitted, and so modified as aforesaid:

And whereas the consent in writing of the Commissioners of Her Majesty's Woods, Forests, and Land Revenues to the making of this Provisional Order has been obtained:

And whereas the Board of Trade, after making such inquiries as they have thought expedient, have settled this present Provisional Order, and intend to cause a Bill to be introduced into Parliament for the purpose of obtaining an Act for the confirmation of this Provisional Order (until which confirmation this Provisional Order will not be of any validity or force whatever):

Now, therefore, the Board of Trade do, by this their Provisional Order, in pursuance of The General Pier and Harbour Act, 1861, and The General Pier and Harbour Act, 1861, Amendment Act, and by virtue and in exercise of the powers thereby respectively in them vested, and of every other power enabling them in this behalf, Order,—
