

EXPLANATORY MEMORANDUM TO

THE SOCIAL SECURITY (AMENDMENT) REGULATIONS 2021

2021 No. [XXXX]

1. Introduction

1.1 This explanatory memorandum has been prepared by the Department for Work and Pensions and is laid before Parliament by Act.

1.2 This memorandum contains information for the Sifting Committees.

2. Purpose of the instrument

2.1 This instrument corrects a deficiency in UK legislation following EU exit and the end of the transition period in an area of DWP policy. It amends legislation in order to continue the policy to make payments of Christmas Bonus to eligible people in Switzerland. This instrument also amends legislation to change the words “member State” to “EEA state” in line with the European Economic Area Act 1993¹.

3. Matters of special interest to Parliament

This instrument is being laid for sifting by the Sifting Committees.

4. Extent and Territorial Application

4.1 The territorial extent of this instrument is England and Wales and Scotland.

4.2 The territorial application of this instrument is England and Wales and Scotland.

4.3 Social security is a devolved matter in Northern Ireland. The Department for Communities in Northern Ireland will bring forward corresponding provisions for Northern Ireland.

5. European Convention on Human Rights

5.1 Justin Tomlinson, the Minister for Disabled People, Health and Work at the Department for Work and Pensions has made the following statement regarding Human Rights:

“In my view the provisions of the Social Security (Amendment) Regulations 2021 are compatible with the Convention rights.”

6. Legislative Context

6.1 The Christmas Bonus, an annual payment of £10, is currently paid as set out in section 148 of the Social Security Contributions and Benefits Act 1992². It is paid to all persons present or ordinarily resident in the United Kingdom or a member State who receive one of the qualifying benefits listed in section 150 of the Act.

² <https://www.legislation.gov.uk/ukpga/1992/4/contents>

- 6.2 “Member” in the expression “member State” generally refers to membership of the European Union (EU). However, the European Economic Area Act 1993 section 2(1) extends the definition of “member State” in section 148 of the Social Security Contributions and Benefits Act (SSCBA 1992) to include states in the European Economic Area. The European Economic Area (EEA) consists of the member states of the EU plus Iceland, Norway and Liechtenstein.
- 6.3 Switzerland is not part of the EEA. However, in 2001 Switzerland signed an agreement³ with the EU for the free movement of people. The agreement amended the definition of “member States” in the social security co-ordination regulations applicable throughout the EU to include Switzerland. Consequently, the Christmas Bonus was paid to people in Switzerland who satisfied the qualifying conditions.
- 6.4 As a result of the UK’s exit from the EU, the social security co-ordination regulations that extended the payment of the Christmas Bonus to people in Switzerland were revoked at the end of the transition period. Now the only people in Switzerland who will be able to receive the Christmas Bonus are those people who are within the scope of the Withdrawal Agreement⁴, the EEA EFTA Separation Agreement⁵ or the Swiss Citizens’ Rights Agreement⁶.
- 6.5 The UK Government’s policy has been to pay the Christmas Bonus in the UK and EEA states under UK legislation and for the last 20 years in Switzerland under European law. The UK’s exit from the EU has impacted this policy and created a deficiency in retained EU law, whereby section 148 of the SSCBA 1992 and the EU social security co-ordination regulations are no longer able to fulfil this policy objective.
- 6.6 The instrument amends primary legislation, section 148 of the SSCBA 1992, in order to continue the policy to make payments of Christmas Bonus to eligible people in Switzerland who were previously paid using the EU social security co-ordination regulations (Regulation (EC) No 883/2004⁷ and Regulation (EC) No 1408/71⁸). These social security regulations were revoked on 31 December 2020. The instrument also changes the words “member State” in section 148 of the SSCBA 1992 to “EEA state” in line with the European Economic Area Act 1993.
- 6.7 The instrument is being made using the power in section 8 of the European Union (Withdrawal) Act 2018⁹.

7. Policy background

What is being done and why?

- 7.1 The Christmas Bonus is an annual payment of £10 made to people who satisfy the qualifying conditions. In order to qualify for the Christmas Bonus a person must be present in the UK, an EEA state or Switzerland in the qualifying week, which is the week starting with the first Monday in December. The person must also be in receipt of a qualifying UK benefit in the qualifying week.
- 7.2 The regulations correct a deficiency in retained EU law so that people who are present in Switzerland during the qualifying week and are in receipt of a UK qualifying benefit can be paid the annual Christmas Bonus. Prior to the end of the transition period, people who met the qualifying conditions and were living in the United Kingdom or another EEA State were paid using the power in section 148 of the Social Security Contributions and Benefits Act 1992 (SSCBA 1992) but residents in Switzerland were paid using the social security co-ordination regulations, Regulation (EC) No 1408/71 and Regulation (EC) No 883/2004. These regulations were revoked on 31 December 2020.

Explanations

What did any law do before the changes to be made by this instrument?

- 7.3 People in Switzerland who met the qualifying conditions for payment of Christmas bonus were paid under the EU social security co-ordination regulations. People in the UK and other EEA states who met the qualifying conditions were paid under section 148 of the SSCBA 1992.

Why is it being changed?

- 7.4 The EU social security co-ordination regulations were revoked on 31 December 2020. And so if Switzerland is not included in section 148 of the SSCBA 1992 payment of the Christmas bonus cannot be made to those people in Switzerland who are not in scope of the international agreements set out in paragraph 6.4 above.

What will it now do?

- 7.5 It will enable payment of the Christmas Bonus to be made to people in Switzerland who meet the qualifying conditions. Payment will continue to be made to people in EEA states who meet the qualifying conditions.

8. European Union Withdrawal and Future Relationship

- 8.1 This instrument is being made using the power in section 8 of the European Union (Withdrawal) Act 2018 in order to address failures of retained EU law to operate effectively or other deficiencies arising from the withdrawal of the United Kingdom from the European Union. In accordance with the requirements of that Act the Minister has made the relevant statements as detailed in Part 2 of the Annex to this Explanatory Memorandum.

9. Consolidation

- 9.1 This instrument does not involve consolidation and there are no plans to consolidate the relevant legislation at this time.

10. Consultation outcome

10.1 No formal consultation has taken place for these regulations as they are making technical amendments in consequence of EU exit.

11. Guidance

11.1 It is not necessary to provide guidance on these regulations as the amendment is to ensure a continuation of business as usual.

12. Impact

12.1 There is no, or no significant, impact on business, charities or voluntary bodies.

12.2 There is no, or no significant, impact on the public sector.

12.3 A full Impact Assessment has not been prepared for this instrument because no impact is foreseen for business, charities, voluntary bodies or the public sector.

13. Regulating small business

13.1 The legislation does not apply to activities that are undertaken by small businesses.

14. Monitoring & review

14.1 It is not foreseen that monitoring and evaluation will be necessary as these regulations are making technical amendments in consequence of EU exit.

14.2 As this instrument is made under the European Union (Withdrawal) Act 2018 no review clause is required.

Part 2

Statements required under the European Union (Withdrawal) Act 2018 or the European Union (Future Relationship) Act 2020

1. Sifting statement

- 1.1 The Minister for Disabled People, Health and Work at the Department for Work and Pensions, Justin Tomlinson, has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In my view the Social Security (Amendment) Regulations 2021 should be subject to annulment in pursuance of a resolution of either House of Parliament (i.e. the negative procedure)”.

- 1.2 This is the case because the proposed regulations make amendments as a consequence of EU exit and the end of the transition period. This is a technical amendment to continue the policy of making payments of the annual Christmas bonus to people in Switzerland who meet the qualifying conditions.

2. Appropriateness statement

- 2.1 The Minister for Disabled People, Health and Work, Justin Tomlinson, has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In my view the Social Security (Amendment) Regulations 2021 does no more than is appropriate”.

- 2.2 This is the case because it does no more than allow for the continuation of the policy to make payment of Christmas bonus to people in Switzerland who fulfil the qualifying conditions.

3. Good reasons

- 3.1 The Minister for Disabled People, Health and Work, Justin Tomlinson, has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In my view there are good reasons for the provisions in this instrument, and I have concluded they are a reasonable course of action”.

- 3.2 These are set out in this Explanatory Memorandum at section 7.

4. Equalities

- 4.1 The Minister for Disabled People, Health and Work, Justin Tomlinson, has made the following statement(s):

“The instrument does not amend, repeal or revoke a provision or provisions in the Equality Act 2006 or the Equality Act 2010 or subordinate legislation made under those Acts.

4.2 The Minister for Disabled People, Health and Work, Justin Tomlinson, has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In relation to the instrument, I, Justin Tomlinson, have had due regard to the need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010.”

4.3 There is no impact by this instrument on equalities issues as it is a technical amendment to continue the policy of making payments of the Christmas bonus to eligible people in Switzerland.

5. Explanations

5.1 The explanations statement has been made in section 7 of the main body of this Explanatory Memorandum.
