Subject: Quarantine exemption letter

Dear Lord Goldsmith

I am writing to ask your assistance in obtaining a quarantine exemption letter from the FCDO as I am about to travel to the Republic of Gambia for an official meeting with the Dept of Parks and Wildlife Management. Unfortunately this visit cannot be rescheduled. I have tried calling and emailing the FCDO without success.

I have attached a letter of attestation from the relevant body in Gambia. Any help that you can offer would be greatly appreciated.

Sincerely
