E.T. Z4 (WR)

JUDGMENT OF THE EMPLOYMENT TRIBUNAL

The Judgment of the Tribunal (by consent of the parties) is that:-

5

1. the Tribunal has jurisdiction in respect of the claim against the first respondent, Technip Singapore PTE Limited, and the claim shall proceed against that respondent alone; and
- 10 2. the claim, in so far as it relates to the second, third and fourth respondents, namely Technipfmc PLC, Technip Offshore Manning Services and Technip Offshore Manning Services Limited, is dismissed.

REASONS

15

1. A preliminary hearing to consider case management in this case was conducted by Employment Judge Hendry on 7 April 2021. The Note which he issued following that hearing is referred to for its terms.
- 20 2. By e-mail on 19 August 2021, the respondents' solicitor advised that the claims of unfair dismissal and wrongful dismissal, "*should proceed against the first respondent (Technip Singapore PTE Limited) only, and the second (Technipfmc PLC), third, (Technip Offshore Manning Services) and fourth respondent (Technip Offshore Manning Services Limited) should be*
25 *dismissed from the proceedings.*"
3. On the same date, the claimant's solicitor confirmed that he was in agreement.
- 30 4. Accordingly, as requested by the parties, I agreed to discharge the case management preliminary hearing which had been scheduled to take place on 25 August 2021 and to issue a Judgment, as requested.

5. I further direct, as requested, that the case now be listed for a Final “in-person” Hearing in Aberdeen and that the Tribunal’s dates listing stencil be sent to the parties’ solicitors for completion and return.
