

EMPLOYMENT TRIBUNALS

Claimant: Mr S Moundanga
Respondent: Assist Resourcing UK Ltd

JUDGMENT

The claimant's application dated 12th July 2021 for reconsideration of the judgment sent to the parties on 29 June 2021 is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked because the application for reconsideration repeats arguments which have already been made and fully considered before judgment was given at the hearing. Extensive evidence and submissions were heard before the judgment was given. The reconsideration application raises no new issues not already taken into consideration and does not indicate that an error has been made in the original judgment. To the extent that the claimant's email makes reference to without prejudice negotiations between the parties this is not something which should be disclosed to the judge and is not a relevant factor in determining the preliminary hearing issues.
