

Sworn Oath and Character Reference Forms and Guidance

Version 2.2, September 2021

You have told us that you are not able to get a criminal record check from the country or countries you lived in outside the UK. These instructions will tell you what we need instead.

Read these instructions carefully. You will need to provide all the information we ask for. If you don't provide all the information we need, we might withdraw your application. Remember that the application fee will not be refunded if we do this.

We need you to provide three things:

- 1. A sworn oath.**
- 2. A letter confirming that the sworn oath is authentic.**
- 3. A character reference.**

We explain what we need in more detail below.

Sworn oath

You must use the template we have provided below. We will not accept a sworn oath in any other format.

The oath must be formally witnessed and stamped by a solicitor or Commissioner for Oaths registered in the EU.

Letter confirming that the sworn oath is authentic

You must provide a letter on headed paper from the solicitor or Commissioner for Oaths confirming that your sworn oath is authentic.

Character reference

You must use the template we have provided below. We will not accept a character reference in any other format.

Your character reference should be from someone who knew you personally during the time you lived outside the UK.

It is unlikely that we will accept a reference from someone that is a member of your family. This includes people that are related to you by marriage. This is because they will have personal reasons for wanting us to grant you a licence.

The types of professionals who can provide this character reference are:

- Accountant
- Barrister or Solicitor
- Chairman or Director of a Limited Company
- Commissioner for Oaths
- Dentist (registered with the General Dental Council)
- Doctor (registered with General Medical Council)
- Local Councillor
- Justice of the Peace
- Member of Parliament
- Officer of the Armed Services (Active or Retired)
- Warrant Officer or Chief Petty Officer
- Police Officer
- Teacher / Lecturer (PGCE or equivalent qualified)

We won't be able to accept the reference unless we can confirm the occupation or qualifications of the person providing it. It will be harder for us to do this if the reference is from a person that works, or has qualifications from, outside of the UK.

If you have refugee status in the UK and you cannot provide a character reference from someone on the list above, we may accept a character reference from:

- UK Refugee support worker
- UK Asylum caseworker
- UK Social worker

People in these three roles do not need to have known you during the time you lived outside the UK but they will need to know you well enough to answer the questions on the form.

We thoroughly check all character references. We will contact the person providing the reference as part of this. If they cannot satisfy us that you are a fit and proper person to hold a licence, we will not be able to grant you a licence. If we cannot contact your referee, we will ask you to provide another one. If you do not do that then we will withdraw your application.

We may also call you to confirm the details in the reference.
