Additional information:

Pasture Grazing Management

What is the risk of cattle coming into contact with badger excreta?

Additional Information:

Other Stock

If present, have the following animals been placed under restriction?

	Present (Y/N)	Restricted (Y/N)	Number if present
Camelids	<input type="text"/>	<input type="text"/>	<input type="text"/>
Goats	<input type="text"/>	<input type="text"/>	<input type="text"/>
Deer	<input type="text"/>	<input type="text"/>	<input type="text"/>
Pigs	<input type="text"/>	<input type="text"/>	<input type="text"/>
Sheep	<input type="text"/>	<input type="text"/>	<input type="text"/>

Do dogs, cats, horses or domestic pets have close contact with the infected group? (Y/N)

Do dogs or cats drink raw milk? (Y/N)

Are any pigs fed waste milk? (Y/N)

Additional Information:

Tracing

Source tracing required? (Y/N) If yes, are all movements recorded on CTS (e.g. Hire Bulls)? (Y/N)

Official Animal Identifier	Origin CPH	Date of Movement

Spread tracing required? (Y/N) If yes, are all movements recorded on CTS (e.g. Hire Bulls)? (Y/N)

Official Animal Identifier	Destination CPH	Date of Movement

Spread Trace Window:

Contiguous Premises

Tuberculosis & Testing History

Is this the farmers first TB breakdown? (Y/N)

If no, was the previous breakdown in a separate epidemiological group? (Y/N)

Additional Information:

Reactor Details

Specimen

Wildlife on Farm

Is there any known badger activity? (Y/N)

Is the farmer aware of any active badger setts from which badgers may reach the farm?

Have any badgers on or close to the farm been vaccinated, to the farmer's knowledge?

Is the farmer aware of any wild deer in the area?

If deer have been seen, what species are they?

Additional information:

Specimen

Prevention & Control Measures

What is the policy for the introduction of animals onto the farm?

What is the policy for screening animals introduced onto the farm for bovine TB?

Is there contact with other herds (including straying cattle)?

Do cattle have to use access routes (roads or tracks) shared with other farms when moving to or between pastures?

Additional Information:

Wildlife access prevention

Are feed troughs potentially accessible to wildlife? (Y/N)

Can badgers access the feed store? (Y/N)

Can badgers access cattle housing? (Y/N)

Can badgers share water sources with the cattle?

Additional Information:

Feeds Used

Milk source used for calves

Hay and silage

Free-choice minerals fed

Energy and protein supplements for grazing cattle

Additional Information:

Public Health Issues

Are raw milk / milk products sold? (Y/N)

Are raw milk / milk products consumed? (Y/N)
