Authorized Amendment
Summary/Overview of the amendment to explain/ensure that the reader understands: the rationale for the amendment; the major changes; and, importantly, the full context (including desired outcome) of the amendment.
The Regulated Community is reminded to check this amendment against any applicable AAMC, Waivers or Exemptions to ensure their ongoing validity.
Issue 4. This revision updates the guidance information on Continuous Charge which was removed from RA 4059 (now withdrawn) but now available in the MAM-P. It provides additional AMC for pre-flight maintenance under Aircrew Charge, adds a mandated footnote for Type Airworthiness Managers and removes a withdrawn paragraph since substantially re-written.
