Authorized Amendment
Summary/Overview of the amendment to explain/ensure that the reader understands: the rationale for the amendment; the major changes; and, importantly, the full context (including desired outcome) of the amendment.
The Regulated Community is reminded to check this amendment against any applicable AAMC, Waivers or Exemptions to ensure their ongoing validity.
RA 2327 Issue 5. This RA update aims to clarify AMC/GM but also introduces new terminology and definitions to align with Air to Air Training Rules 2020. Re-issue provides regulatory clarity through movement of GM to AMC and alignment with current terminology.
RA 2340 Issue 8. This is a minor change to reflect the new terminology introduced in RA2327.
