**Applications cannot be processed without these documents.*

■ **Part E – Inspection by Veterinary Officer/Senior Veterinary Investigator (APHA)**

Name of VO/SVI Inspecting Premises Date of Inspection

Proposed maximum number of cattle in unit

Are any other animals located on the premises? Yes No

If 'Yes', are they outwith the confines of the proposed unit and is the degree of separation on the unit plan satisfactory. Please give details.

Describe the boundaries of the unit.

Describe the system to collect run-off water from the unit.

Describe how manure, bedding and slurry will be stored and disposed of.

Describe the measures taken to prevent access to cattle accommodation by wildlife.

If equipment, machinery, personnel etc. are being shared with other premises describe the biosecurity plan in place.

Describe the TB testing facilities.

For All Proposed Units:

I confirm the following (for the unit to be approved all conditions MUST be met):

- | | | | | | | |
|--|-----|--------------------------|----|--------------------------|-----|--------------------------|
| 1. Measures are in place to ensure that there is no contact between the cattle on the unit and any other cattle, either directly or indirectly e.g. from dirty water run off | Yes | <input type="checkbox"/> | No | <input type="checkbox"/> | | |
| 2. If equipment, machinery, personnel etc. is shared with other premises there is an adequate biosecurity plan in place | Yes | <input type="checkbox"/> | No | <input type="checkbox"/> | N/A | <input type="checkbox"/> |
| 3. The testing facilities meet the guidelines set in the approval conditions and are adequate for the number of stock | Yes | <input type="checkbox"/> | No | <input type="checkbox"/> | | |
| 4. The operator has confirmed that the unit's Delivery Partner can carry out any testing that may be required | Yes | <input type="checkbox"/> | No | <input type="checkbox"/> | | |
| 5. The cattle accommodation and feed stores are adequately protected from wildlife | Yes | <input type="checkbox"/> | No | <input type="checkbox"/> | | |

Any further comments relating to inspection of the proposed unit?

Please tick appropriate box

I confirm that the conditions necessary for approval as a LFU have been met.

Signature of Inspecting VO/SVI Date

The following additional conditions must be met for this unit to operate as an LFU:

Signature of Inspecting VO/SVI Date

■ Part F – Approval for the LFU

I confirm that from this report and the attached plan that approval can be given for this unit to operate as a LFU

Approval is subject to compliance with the conditions in Schedule 1 and any additional conditions listed above.

Signature of VHoFD/VLW/VO/SVI Date
Name in BLOCK LETTERS

■ Part G – Inspection for Compliance

Date of Inspection Name of person carrying out inspection VO/VI/AHO

Is compliance with the conditions of the approval satisfactory? Yes No

Date of Inspection Name of person carrying out inspection VO/VI/AHO

Is compliance with the conditions of the approval satisfactory? Yes No

Date of Inspection Name of person carrying out inspection VO/VI/AHO

Is compliance with the conditions of the approval satisfactory? Yes No

Date of Inspection Name of person carrying out inspection VO/VI/AHO

Is compliance with the conditions of the approval satisfactory? Yes No

**If No the approval should be passed to the VHoFD/delegated veterinary inspector for consideration of revocation of the approval*

■ Part H – Revocation of Approval for the LFU

This cancels the approval for the unit to operate as an LFU

Issued on

This revocation of approval has immediate effect and will remain in force until a new application is submitted and approval given following a satisfactory inspection.
