(d) Identification marks:

II. Origin of the consignment

(a) Country/District(s) of origin:

(b) Name and address of exporter:

(c) Place of loading:

III. Destination of the consignment

No:

(a) The consignment was despatched from
UNITED KINGDOM
To: USA
(country and place of destination)

(b) Name and address of consignee:

(c) Means of transportation:

IV Health Certification

I, the undersigned Official veterinarian, certify that:

- a) The poultry meat and meat products were **not** derived from birds and poultry that were in **any** of the following regions or zones, **unless** the birds and poultry were slaughtered **after** the periods described or unless the poultry and meat products are accompanied by a certificate specifying the articles were cooked and processed in accordance with the regulations in § 94.6 (b) (3) or (b) (4):
- (i) Any region when the region was classified in § 94.6(1) (i) as one in which Newcastle disease (ND) is considered to exist, or any region when the region was listed in accordance with § 94.6(a) (2) (i) as one in which HPAI is considered to exist, **except** for the APHIS-defined EU Poultry Trade Region*;
 - (ii) A restricted zone in the APHIS-defined EU Poultry Trade Region* established because of detection of ND or HPAI in commercial poultry, from the time of detection until the designation of the zone as a restricted zone is removed by the competent veterinary authority of the Member State or until 3 months (90 days) following depopulation of the poultry on affected premises in the restricted zone and the cleaning and disinfection of the last-affected premises in the zone, whichever is later;
 - (iii) A restricted zone in the APHIS-defined EU Poultry Trade Region* established because of detection of ND or HPAI in racing pigeons, backyard flocks, or wild birds, from the time of detection until the designation of the zone as a restricted zone is removed by a competent veterinary authority of the Member State.
- b) The poultry meat and meat products must **not** have been commingled with poultry meat and meat products derived from other birds and poultry that were in **any** of the regions or zones described in paragraph (a) (i) through (a) (iii) of this section. Additionally, the poultry meat and meat products must **not** have been derived from poultry that were commingled with other poultry that were in **any** of the regions or zones described in paragraphs (a) (i) through (a) (iii) of this section;
- c) **No** equipment or materials used in transporting the birds or poultry from which the poultry meat and meat products were derived from the farm of origin to the slaughtering establishment may have been used previously for transporting live birds or poultry that do **not** meet the requirements of § 94.28(b) **unless** the equipment and materials have first been cleansed and disinfected;

No:

d) the game bird carcasses described overleaf originate from wild birds which were shot in the wild in the United Kingdom.

V. This certificate is valid for 10 days from the date of signature by the Official Veterinarian.
