#### Notes to the accounts

(see notes 82 and 83)

All notes to the accounts must be entered on or attached to this part of the return.

| 1 | Page | 3 | General | Fund |
|---|------|---|---------|------|
|   |      |   |         |      |

The figure entered for "Amount of general fund at beginning of year" differs from the figure entered for "amount of general fund at end of year" on the previous year's return by £8. This is due to the discovery by current officers of the association of a dormant bank account containing this sum, which had not been included in the previous year's return.

#### 2. Change of accounting policy

Previous returns have included amounts for the honorariums and expenses of some officers of the association which are paid for by the RSPB, rather than being paid out of the association's own funds. These amounts were historically included under Income (Other income - Income from Federations and other bodies) and Expenditure (Benefits to members / Administrative expenses), with the amounts included under both income and expenditure netting to zero. Having sought clarification from the Certification Office, it has been decided that this "in-kind" contribution to the association should no longer be included in the accounts.

Therefore, unlike previous returns, no figures have been entered in this return for:

Page 3 "Income from Federations and other bodies"

Page 5 "Benefits to members - Salary Costs"

Page 10 "Administrative expenses - Salaries and Wages"

Page 11 - Analysis of officials' salaries and benefits

Please note that the honorariums for two officers of the association in post during this period were due to be paid out of the association's own funds and would therefore have been included in this return, but are not included in this return as the payments were made after 31st March 2020.
