CAS status

The table below shows each status which can apply to a CAS.

As seen in SMS	Meaning
WORK IN PROGRESS	The CAS is still 'in draft' as one or more mandatory fields are yet to be completed.
READY TO GO	All mandatory fields are complete and the CAS is ready to be assigned to an individual.
ASSIGNED	The CAS has been assigned to an individual and is ready to be used in support of an application for leave to enter/remain in the UK.
WITHDRAWN	You have used the 'Manage live CAS' function in SMS to withdraw the CAS.
OBSOLETE	SMS has automatically changed the CAS status to 'Obsolete' as it has detected that another CAS assigned to the same individual has been marked as 'Used' within the validity period of this CAS.
USED	The CAS has been used in support of a student's application for leave to enter or remain.
EXPIRED	EITHER: The individual has not made an application for leave to enter or remain before the expiry date of the CAS. A new CAS will be required; OR: The individual has applied before the CAS expiry date but we have not considered their application before that date. In this case, no action is required on your part; we will change the status of the CAS from EXPIRED to USED when the application is considered.
CANCELLED	The CAS has been cancelled as your licence has been revoked or has expired, or you have surrendered the relevant routes / your whole licence prior to the CAS being used.

Guide 1: How to report individual student activity

Follow the step by step instructions below to report student activity. This function is essential in order to fulfil your sponsorship duties. Use this function to notify us of a student's activity, for example, the student has been delayed and has not entered the UK, or you no longer wish to sponsor the student. If you want to report multiple 'no shows', it is easier and quicker to use Bulk data transfer (BDT). Please see our [website](#) for information on using the BDT toolkit.

Please note; Level 2 users can only report on CAS that they have personally created and assigned, or on a CAS that has been transferred to them.

You should read the [Sponsorship policy guidance](#) and [SMS guide 4a – Creating a CAS – guide for education sponsors](#) before reporting student activity.

Guide 5: How to submit a graduate notification for an individual student

Follow the step by step instructions below to notify of students who have met the qualifying criteria of the Graduate Route on an individual basis. **This function is only available to sponsor who are registered in the Student Route with a track record of compliance.**

If you want to submit multiple graduate notifications, it is easier and quicker to use Bulk data transfer (BDT). Please see our [website](#) for information on using the BDT toolkit.

Please note; Level 2 users can only submit graduate notifications for CAS that they have personally created and assigned, or on a CAS that has been transferred to them.

You should read the [Sponsorship policy guidance](#) before submitting graduate notifications.
