Hi [REDACTED]

I am so sorry but I seem to have one meeting after another at the moment and so may not be able to devote the necessary time on this that is deserved. I have asked [REDACTED] if [REDACTED] would mind taking a look and providing any feedback as [REDACTED] is really strong on this sort of communication and I thought it might also tick half a box on your PDP!

Thanks
Jane

Hi [REDACTED]

I'm not sure if we have ever had a query from [REDACTED] before but [REDACTED] has concerns about finasteride and depression and the labelling of such in the PI [REDACTED]

Please could you draft a reply based on previous replies we have sent?

Thanks very much
Jane
