For more system support email: [fellinglicenceonline@forestrycommission.gov.uk](mailto:fellinglicenceonline@forestrycommission.gov.uk)

You will need a computer connected to the internet and a web browser such as Chrome (other web browsers are supported)

### 1 New user registration

Step 1	Click on the <b>Need access? Register here</b> link
"Create new account" page opens	
Step 2	Complete all fields marked with an asterisk *
Step 3	Select an account type; either <b>Agent</b> or <b>Owner</b>
<p><b>Agent:</b> An agent submits felling licence applications on behalf of an owner or tenant. Agents will be able to create properties and owner profiles subject to a signed <a href="#">Agent Authority Form (AAF)</a>.</p> <p><b>Owner:</b> You are an Owner if you own the land or are a tenant, and do not use an agent to submit applications on your behalf.</p>

## 2 Adding a property profile

<p><b>! Agent</b> account holders must complete <b>step 1, 2 &amp; 3</b> before creating a <b>property</b></p> <p><b>! Owner</b> account holders should go straight to <b>step 4</b></p>	
Step 1	<p>Click the <b>Manage Owners icon</b> on the left-hand side of the screen and click <b>add managed owner</b></p> <p>Input the owner's details, ensuring that all mandatory fields marked * are completed</p> 
Step 2	<p>Upload a signed Forestry Commission Agent Authority Form (AAF). <a href="#">Agent Authority Form (AAF)</a> by clicking <b>Choose File</b></p>
Step 3	<p>Click <b>SAVE</b></p> <p>The screen will refresh and you will be taken to the "Home Page". You will see confirmation in the top left of the screen that an owner record has been added</p>
Step 4	<p>Click on the <b>Add Property icon</b> on the left-side of the screen</p> <p>"Create Property" page will open</p> <p>Complete all the boxes that are marked with *</p> 
<p><u>Agent – "Create property" page</u></p> <p><i>In the <b>Managed Owner</b> section, start typing the owner's name. A list will appear. Select the owner from the list created following steps 1 to 3 above.</i></p>	<p><u>Owner – "Create property" page</u></p>

	<p>Home / Create Property</p> <p>Property Name *</p> <p>_____</p> <p>Nearest Town *</p> <p>_____</p> <p>Local Authority *</p> <p>- Select a value -</p> <p>_____</p> <p>Woodland Management Plan</p> <p>_____</p> <p>Grid Ref *</p> <p>e.g. ST 625 785</p> <p>_____</p> <p></p>
Step 5	Click <b>SAVE</b>
<p>A property record will be created and a message confirmation will appear at the top left-hand side of the screen. You will now be directed to the add compartment section see below.</p>	

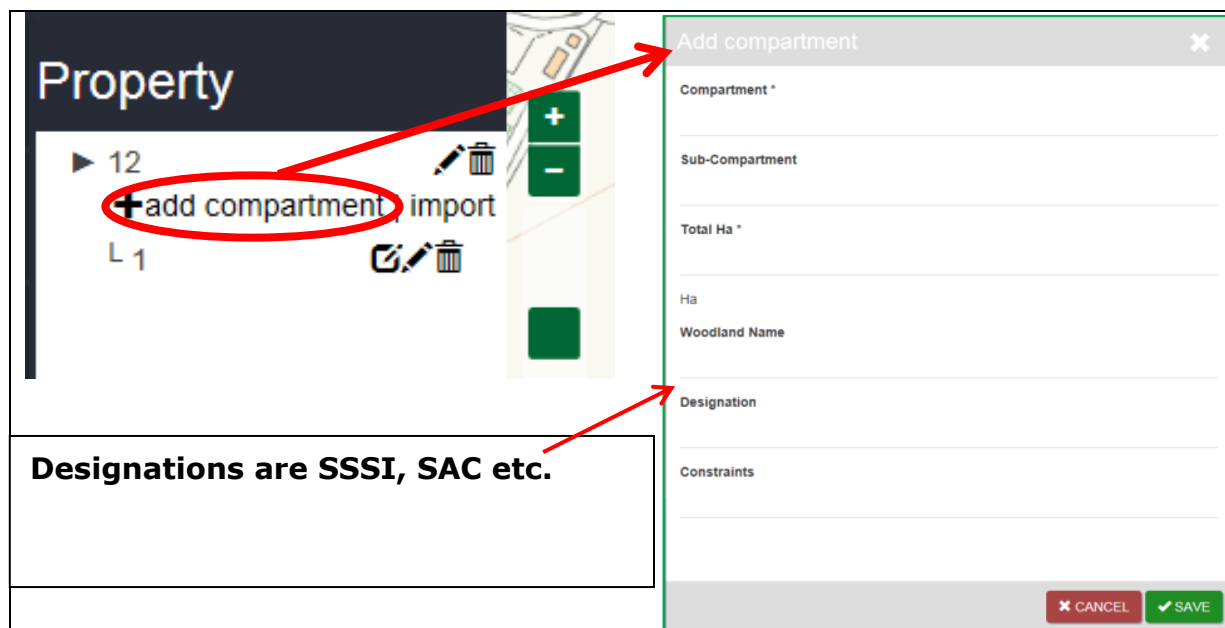

### 3 Add compartment(s) to a property

There are 3 ways to add compartments to a property:

Add compartment(s) manually	Go to step 1 below
Import a CSV file and manually draw compartment(s)	Click here
Import shapefile	Click here

#### Add compartment(s) manually

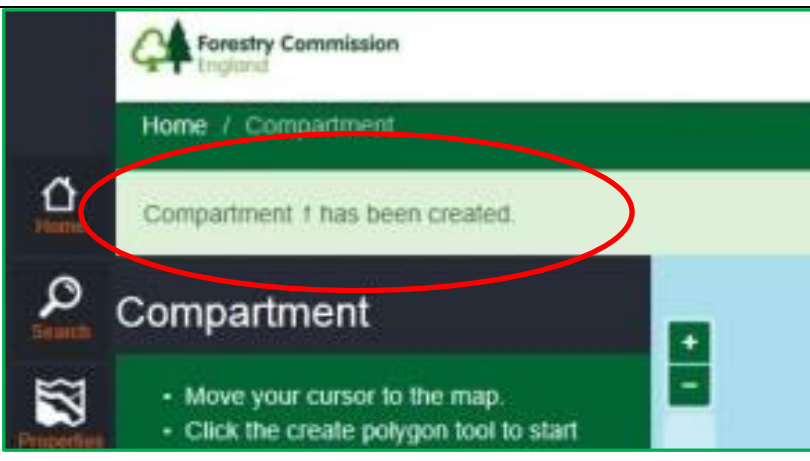

Step 1	<p>Add a compartment</p> <p>Click <b>+add compartment</b> under the property created in <a href="#">section 2</a></p>
--------	---

**Designations are SSSI, SAC etc.**

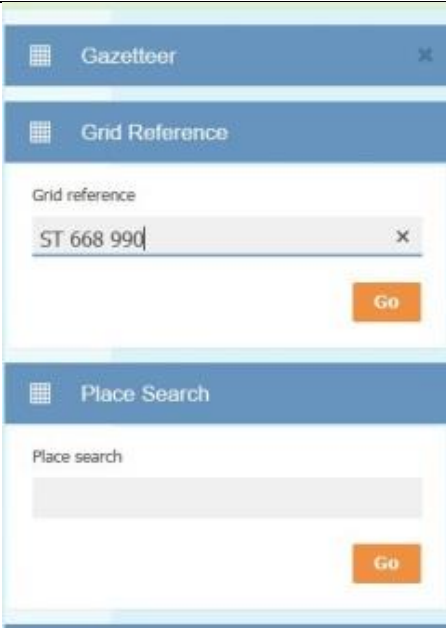

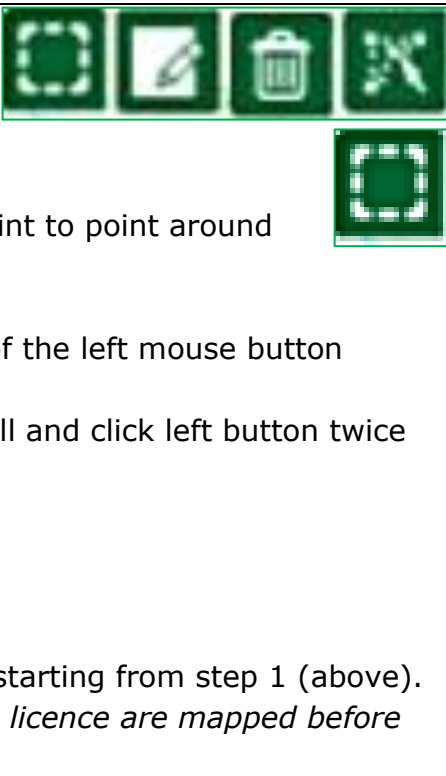

Step 2 Complete the **Add compartment** box as above (right image). Ideally, compartments should follow a numbering format of 1,2,3 1a,1b, etc. You do not need to complete the **Total Ha** field as this will be auto-populated when you draw the compartment polygon.

Step 3 Click **SAVE**  
You will be taken to the 'Compartment' screen and a message will appear at the top to confirm that the compartment record has been created

Step 4 Click on the **Zoom to Coordinates** located on the right hand side of the 'Mapping' page

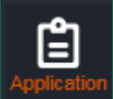

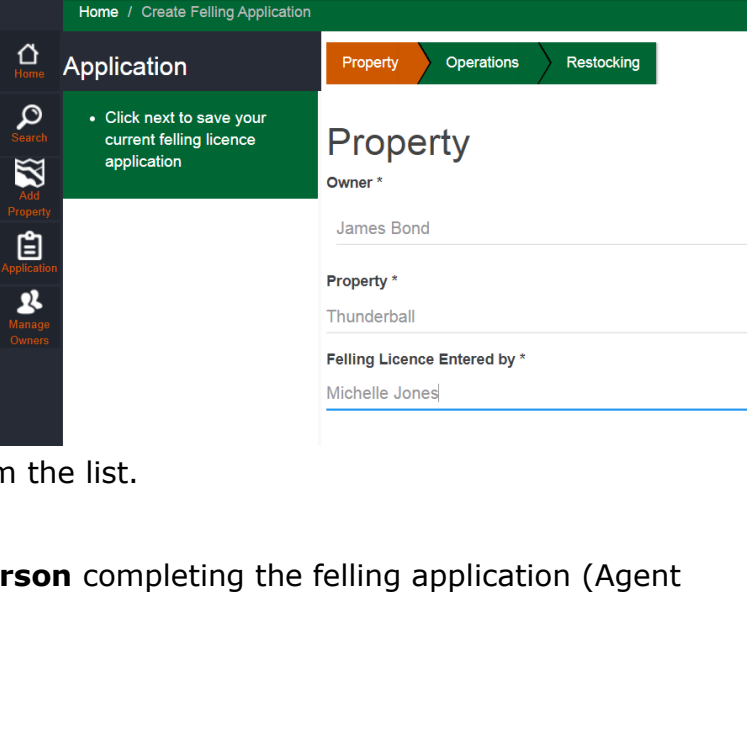

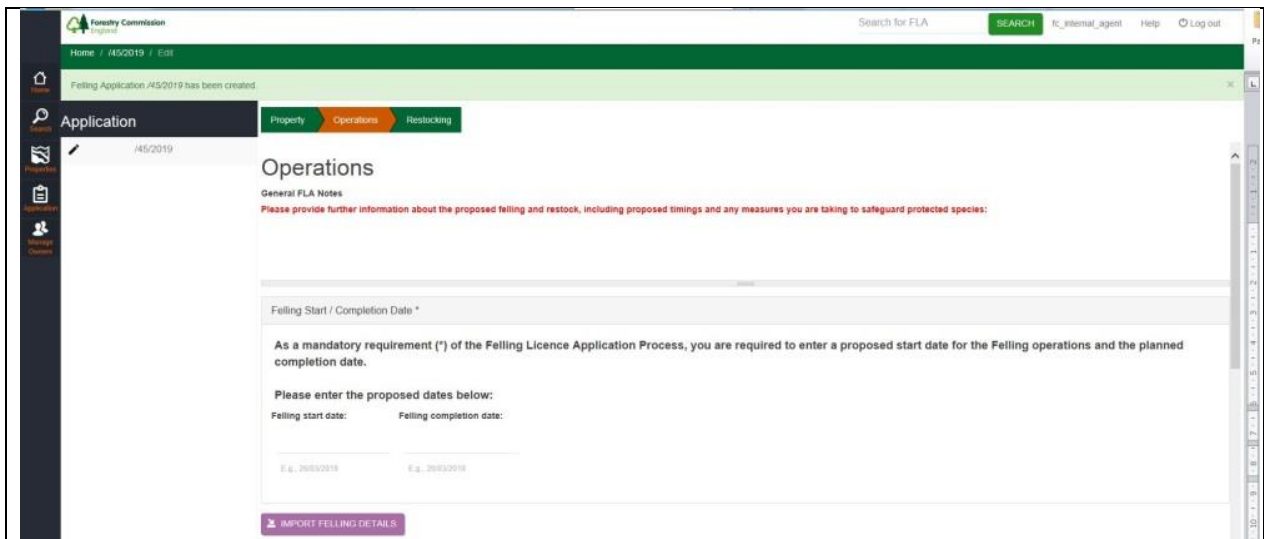

<p>Step 5</p>	<p><b>Zoom to Coordinates</b> opens</p> <p>Input either the <b>OS Grid Ref</b> (i.e. 6 digit number) or <b>Place Name</b> and click <b>GO</b></p> <p>The map viewer will zoom to the <b>OS Grid Ref</b> or <b>Place name</b></p> <p>Use the Zoom +/- tool on the left as necessary</p> <p>You can also use the mouse to move the map, hold left click and drag</p>	
<p>Step 6</p>	<p>Hover over each tool, text will appear naming the function they perform</p> <p><b>Draw a compartment map/polygon</b></p> <p>Select the dotted square tool and click point to point around the area of your compartment</p> <p>Plot a point on the map by a single click of the left mouse button</p> <p>When you are finished keep the cursor still and click left button twice to confirm</p> <p>Click <b>SAVE</b></p> <p>To add another compartments repeat by starting from step 1 (above). <i>i.e. Ensure all your compartments for this licence are mapped before moving on to the next step</i></p>	

	<p>Compartment is created and area (ha) is calculated automatically</p> <p>The <b>Total Ha</b> field will automatically populate for step 2</p>	
<p>Step 7</p>	<p>Do you want to edit the compartment polygon?</p> <p>Click <b>edit tool</b> with the pencil, a blue line will appear around the compartment polygon</p> <p>Move the line by clicking and holding and dragging the cursor</p> <p>The <b>Total Ha</b> will change as the size of the compartment alters</p> <p>The <b>Total Ha</b> will update with the new compartment size</p> <p>Click <b>Save</b></p> <p>If you want to delete the compartment click on the dustbin</p>

## 5 Felling application approval

Once the Forestry Commission has approved your licence you will receive an automated email stating that your licence has been approved, and that you need to log in and download the approved licence.

To view and download the approved licence, log-in to felling licence online. From the Home screen, find your approved licence under My Applications. Click on the black document icon next to the reference number, illustrated in the image below.

An **envelope icon** will also be present which will enable an agent or an owner to email a **'one-time only'** link of an approved felling licence.

The Admin Officer processing your application will email you with any supporting information such as an EPS checklist, statutory consultee responses or your approved Woodland Management plan.
