

EMPLOYMENT TRIBUNALS

Claimant: Mr M Wiatr

Respondent: The David Lewis Centre

JUDGMENT

The claim is struck out.

REASONS

1. By case management orders made on 9 September 2021 and sent to the parties on 10 September 2021 the Tribunal gave the claimant an opportunity to make representations in writing or to request a hearing, as to why the claim should not be struck out because:
 - He had failed to attend the case management preliminary hearing on 9 September 2021 and had not engaged with the respondent to prepare for the hearing;
 - He has failed to comply with case management orders to provide further information required about his claims;
 - It appears that the claim has not been actively pursued.
2. The claimant has failed to make representations in writing, or has failed to make any sufficient representations, why this should not be done or to request a hearing. The claim is therefore struck out.
