

EMPLOYMENT TRIBUNALS

Claimant: Miss L Jenkins

Respondent: Hays Social Care Ltd

JUDGMENT AND REASONS

1. Following a strike out warning made on 20 August 2021, the claimant made brief representations to the Tribunal by the due date.
2. Although she has now asked the Tribunal to reconsider that warning, and she has given the briefest of explanations of her disengagement from the proceedings, she has still failed to address the concern that she has not actively pursued her claim and she has not particularised her claim as required. Nor has she addressed the earlier strike out of her unfair dismissal complaint.
3. Accordingly, acting under rule 37 of the Employment Tribunals Rules of Procedure 2013, the Tribunal now strikes out the remainder of the claim (the disability discrimination complaint) on the ground that (1) it is not being actively pursued and (2) it has no reasonable prospect of success in the light of the lack of particulars of the claim.
