

## Permitting decisions- Surrender

---

We have decided to accept the surrender of the permit for **Teesside Iron and Steel Works** operated by **Harsco Metals Group Limited**

The permit number is **EPR/PP3338MT**

### Purpose of this document

This decision document provides a record of the decision making process. It summarises the decision-making process to show how the main relevant factors have been taken into account.

This is a full surrender of a site that has been classed as low risk with no baseline or surrender monitoring

June 2021 inspection by Environment Agency site officer confirmed decommissioning complete and satisfactory.

### Decision considerations

#### Confidential information

A claim for commercial or industrial confidentiality has not been made.

The decision was taken in accordance with our guidance on confidentiality.

#### Identifying confidential information

We have not identified information provided as part of the application that we consider to be confidential.

The decision was taken in accordance with our guidance on confidentiality.

#### Pollution risk

We are satisfied that the necessary measures have been taken to avoid a pollution risk resulting from the operation of the regulated facility.

The regulated facility has never operated within the installation boundary.

## **Satisfactory state**

We are satisfied that the necessary measures have been taken to return the site of the regulated facility to a satisfactory state, having regard to the state of the site before the facility was put into operation.

## **Growth duty**

We have considered our duty to have regard to the desirability of promoting economic growth set out in section 108(1) of the Deregulation Act 2015 and the guidance issued under section 110 of that Act in deciding whether to accept this permit surrender.
