A member who is concerned that some irregularity may be occurring or have occurred, in the conduct of the financial affairs of the union may take steps with a view to investigating further, obtaining clarification and if necessary securing regularization of that conduct.

The member may raise such concern with one or more of the following as it seems appropriate to raise it with: the officials of the union, the trustees of the property of the union, the auditor or auditors of the union, the Certification Officer (who is an independent officer appointed by the Secretary of State) and the police.
