

EMPLOYMENT TRIBUNALS

Claimant: Mr O Nawaz

Respondent: Wilsons Furnishers Limited

JUDGMENT

The claim of unfair dismissal is struck out.

REASONS

UPON the Tribunal being satisfied that there are no extant complaints of unfair dismissal related to jury service or for making a public disclosure and UPON the Tribunal being satisfied that no grounds have been shown by the claimant to permit the continuance of the unfair dismissal complaint:

1. The claimant's complaint of unfair dismissal is struck out as claimant does not have 2 years' qualifying service.
2. The complaint of discrimination by way of dismissal related to race and religion and belief are unaffected by this judgment.
