

EMPLOYMENT TRIBUNALS

Claimant: Mr N Nicolaou

Respondent: Albert Stone Limited

JUDGMENT

The claimant's application dated 16 August 2021 for reconsideration of the judgment sent to the parties on 11 May 2021 with reasons sent on 2 August 2021 is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked, because the findings are clear and there is nothing in the application that causes Employment Judge Alliott to revisit the original decision. Employment Judge Alliott took into account all the evidence and documentation placed before him at the hearing and it is too late to try and add any more.
