Dear [REDACTED]

Thank you for your email of 3 October 2021 requesting the following information:

“ Landrover Defender VIN SALLDHAB7BA300947. I recently purchased this vehicle and have since been informed it may be an ex military vehicle and wondered if you confirm if it's was first registered to you in 1987?”

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

A search for the information has now been completed within the Ministry of Defence (MOD). I regret that no information within the scope of your request is held using the VIN number provided.

However, under Section 16 of the Act (Advice and Assistance) I can advise that although this vehicle is not listed on the MOD's central MERLIN database, it was formerly the practice for parts of the Department to purchase and manage some vehicles locally, without them being recorded centrally. Therefore, while we cannot confirm that your vehicle was formerly owned by the MOD, it is possible that it fell into the latter category.

If you have any queries regarding the content of this letter, please contact this office in the first instance.

If you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.gov.uk). Please note that any request for an internal review should be made within 40 working days of the date of this response.

If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.
