G. REASONS FOR YOUR APPEAL

The reasons you set out below will be treated as your statement of case. It is important that you set them out in full because you will not get an opportunity to add to them later.

To do this, you need to go through the Council's reasons for the decision, which you can find in their letter, and explain why you disagree. If you are appealing against a remedial notice you should explain whether you are appealing against the initial action or the preventative action or both.

Please continue at section J or on a separate sheet if necessary

In support of your appeal form, you must send a copy of the Council's decision, and any remedial notice issued. If we do not receive a copy that decision within 28 days starting from:

- **the date the remedial notice is issued; or**
- **the date of the Council's notification to the parties that it has decided to take no action in respect of the hedge; or**
- **the date that the Council notifies the parties it has decided to withdraw a remedial notice or to waive or relax its requirements.**

we may turn your appeal away.

Please tick the boxes to show which documents you are enclosing and list any other documents you are submitting in the space below. Please be mindful of the fact that there is no need to submit any background papers with your appeal. The Council will send copies of the documents held on its file to us and these will be placed before the Inspector who determines the appeal. The Council will also send to us, and to you and the other main parties to the appeal, a list of the documents it sends to us.
