Dear [REDACTED]

PROVISION OF REQUESTED INFORMATION

Thank you for your requests for information about the import of Pheasants and Partridges, which APHA received on 17 August 2021. Your requests have been handled under the Freedom of Information Act (FOIA).

The information you requested and our response is detailed below:

“A copy of each 'Import Notification Form' for all live game birds and eggs - pheasants and partridges - which took place during April, June and August 2021, including the number of birds/eggs imported, Port of Entry, Country of Origin and area postcode for Place of Destination (e.g. YO63).”

Import Notification Forms are no longer used to notify APHA about imports of live animals from EU countries. Notifications regarding these imports must now be submitted using the Import of products, animals, food and feed system (IPAFFS).

The attached spreadsheet (Appendix 1) contains a summary of notifications submitted via IPAFFS for pheasant and partridge live birds and hatching eggs imports from the EU for the period April, June, and August 2021.

Where no post code is recorded this was not provided.

Information disclosed in response to this FOI request is releasable to the public. In keeping with the spirit and effect of the FOI and the government's Transparency Agenda, this letter and the information disclosed to you may be placed on GOV.UK, together with any related information that will provide a key to its wider context. No information identifying you will be placed on the GOV.UK website.

An Annex is attached which explains the copyright that applies to the information being released to you and contact details should you be unhappy with the service you have received.
