E. APPEAL

Please tick only the relevant boxes.

I am appealing on the following grounds:

The duty to plant a tree, or the condition requiring the planting of a tree, does not apply or has been complied with

In all the circumstances of the case the duty to plant a tree should be dispensed with

The requirements of the notice (in respect of size, species of tree or the period of time given) are unreasonable

The planting of a tree in accordance with the tree replacement notice is not required in the interests of amenity or would be contrary to good forestry practice

The place on which the tree is required to be planted is unsuitable for that purpose

F. GROUNDS OF APPEAL

Please provide at least one reason for each of the boxes you have ticked in section E. You must explain fully why you disagree with the council's decision to serve you with a tree replacement notice. To do this, you need to go through the reasons for the decision, and explain why you disagree.

If you choose the recommended Fast Track appeal procedure (see section G) the reasons you set out below will be treated as your statement of case. It is important that you set them out in full because you will not get an opportunity to add to them later.

Continue, if necessary at section K – Supplementary Sheet

G. PROCEDURE

Fast-Track appeals dealt with by the Fast Track procedure are usually decided more quickly than those which proceed through a hearing or a more formal local inquiry and because of this we recommend the Fast-Track procedure.

However, if you or the Council ask to be heard by the Inspector we will organise a hearing which will take the form of a round table discussion. In very exceptional cases, where complex legal matters are at issue, a substantial number of third parties are involved and/or formal cross examination is warranted, we may decide to hold an inquiry.

Please tick one box only.

I wish my appeal to be decided through the Fast-Track procedure

I wish to appear and be heard by an Inspector
