Dear [REDACTED]

Thank you for your email of 16 August 2021, requesting the following information:

*I am the current owner of an ex MOD Land Rover Defender 110 TUM FFR Wolf, the in-service registration mark was MS88AA and the VIN is SALLDBA67WA146949.*

*Please can you provide as much of the history and service files present for this vehicle.*

Your request has been handled in accordance with the Freedom of Information (FOI) Act 2000.

A search has been carried out of Ministry of Defence (MOD) records and it is confirmed that some information is held. This is enclosed, as follows:

Annex A - Vehicle Ownership History  
Annex B - Modification History (Redacted)  
Annex C - Fault History (Redacted)  
Annex D - Inspection History  
Annex E - Service History

It has proved necessary to withhold some information in accordance with qualified exemption Section 43(2) (Commercial Interests) of the FOI Act. This concerns information which if disclosed would or would likely; prejudice the commercial interests of any person (including defence contractors and the public authority holding it). Specifically, some of the Modification History (Annex B) and Fault History (Annex C) relate to contractor repair times.

It was necessary to undertake a Public Interest Test to determine whether the balance for withholding the information outweighs that for disclosure.

General arguments in favour of release were that full disclosure would demonstrate the MOD's commitment to openness and transparency; and make the UK Government more accountable to the electorate. The FOI Act also contains a presumption for release.

However, releasing some of the Modification (Annex B) and Fault (Annex C) Histories would provide details of the time taken by MOD contractors to rectify fault reports which could, along with previously published information, be used to make reasonable assumptions about hourly labour rates. As market sensitive information, release would likely be detrimental to future competitions.

**Defence Equipment & Support**

Given this argument, on balance, it was determined that the information should be withheld. The level of prejudice against release of this exempted information has been set at the higher level of “would” rather than “would be likely to”.

If you have any queries regarding the content of this letter, please contact this office in the first instance. If you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail [CIO-FOI-IR@mod.gov.uk](mailto:CIO-FOI-IR@mod.gov.uk)). Please note that any request for an internal review should be made within 40 working days of the date of this response.

If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. The Information Commissioner can be contacted at: Information Commissioner’s Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at <https://ico.org.uk/>.

Yours sincerely
