Dear [REDACTED]

Thank you for your e-mail of the 30 December 2019 requesting the following information;

*I am writing to make an open government request, for a copy of the "Air Cadet Organisation (ACO) Radiation Holdings/RAFAC Radiation Holdings/Radioactive Material Holdings" under the Freedom of Information Act 2000.*

*Copies of this document are held by DSTL, CESO RAF Branch and CESO ACO/CESO RAFAC. None of this material is considered to be Restricted/Confidential/Sensitive. I would like the above information, to be provided to me in either electronic format via email, or printed copy via post. If this request is too wide or unclear, I would be grateful if you could contact me as I understand that under the Act, you are required to advise and assist requesters. If any of this information is already in the public domain, please can you direct me to it, with page references and URLs if necessary?*

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

A search for the information has now been completed and I can confirm that information in scope of your request is held. The information is contained within Annex A, however, some of the information contained with the Royal Air Force Air Cadets (RAFAC) Radiations Holding Register falls within scope of the qualified exemptions Section 26(1)(b) (Defence), Section 38(1)(b) (Health and Safety) and Section 40 (Personal Data).

Section 26 and 38 are qualified exemptions and are therefore subject to a public interest test. This means that the information requested can only be withheld if the public interest in doing so outweighs the public interest in disclosure.

Therefore, a public interest test has been conducted to determine whether, in all circumstances of the case, the public interest in maintaining the exemptions outweighs the public interest in disclosure. I have found that whilst release of the information would promote an understanding of the RAFAC organisations and the projects it undertakes, under Section 26(1)(b) and Section 38(1)(b), the balance lies in favour of withholding the information as releasing it could prejudice the security of RAFAC. This is because information may be useful to a hostile audience to inform their activities. Consequently, this information has been withheld.

In accordance with the Data Protection Act 2018, under Section 40(2) of the FOIA (third party personal data), some information contained within the document at Annex A, is withheld as exempt information. This is an Absolute Exemption and not subject to the public interest test.

If you are not satisfied with this response or wish to complain about any aspect of the handling of your request, then you should contact us in the first instance at the address above. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail [CIO-FOI-IR@mod.uk](mailto:CIO-FOI-IR@mod.uk)). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal process has been completed. The Information Commissioner can be contacted at: Information Commissioner's office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at <https://ico.org.uk/>

Yours sincerely

Air Command Secretariat
