SECTION 2

IV. Source flock health certification by Official Veterinarian

I, _____ (block letters), being a Government Approved Official Veterinarian (OV) of the United Kingdom certify in relation to the birds listed in paragraph III. a) from

(source flock address), that:

- a) I examined each bird for export within 48 hours prior to it entering the pre-export quarantine facility. All birds were found to be free from evidence of infectious or contagious disease and external parasites.
- b) After due inquiry, I am satisfied that no case(s) of clinical Newcastle disease, pigeon paramyxovirus type 1 infection or avian influenza have been diagnosed during the 21 days prior to the entry of the birds into the pre-export quarantine premises in this source flocks or any UK premises managed, owned or operated by the same company , group or individual or on any other premises located within 40 kms of any of these premises.
- c) After due inquiry, I am satisfied that all cases of disease or ill-thrift occurring in the source flock and any other premises managed, owned or operated by the same company, group or individual, during the 6 week period immediately preceding the entry of the birds into the approved pre-export quarantine facility, have been subjected to veterinary investigation. I have no reason to doubt the accuracy or completeness of the list of diagnoses and treatments applied, as attached to the owner's*/aviary manager's* declaration relevant to this consignment.
- d) I have explained the contents of this declaration to the Owner/Manager. I have witnessed the above signature, and after due enquiry, I have no reason to doubt the truth of this declaration.
