Overview

1. Private registered providers (PRPs) of social housing are required by section 127 of the Housing and Regeneration Act (HRA) 2008 (the Act) to comply with a Direction of the Regulator of Social Housing (RSH) about the preparation of their accounts.
2. RSH has power to: give directions to PRPs about the preparation of their accounts (in relation to profit-making PRPs, only in so far as its accounts relate to social housing activities). The power must be exercised with a view to ensuring that accounts are prepared in a proper form and present a true and fair view of the state of affairs in relation to the PRP's social housing activities and the disposition of funds and assets which are, or have been, in the PRP's hands in connection with those activities (section 127 of the Act).
3. This document (Accounting Direction for private registered providers of social housing 2022) sets out the regulator's directions about how PRPs must prepare their accounts in relation to the matters set out above. The regulator has conducted a public consultation¹ including consultation with one or more bodies appearing to the regulator to represent the interests of PRPs (in compliance with section 127(6) of the Act).
4. This Direction is made without prejudice to RSH's power to make specific directions under the provisions of the Act. Where reference is made to any legislation, Standard or guidance which is subsequently amended or replaced, then the later publication should be taken to apply to this Direction, until such time as it is revised.

The Schedule to the Accounting Direction for private registered providers of social housing

Part 1: Notes A and B

9. The regulator’s power to give direction to PRPs on the preparation of their accounts is exercised to ensure true and fair view of the state of affairs in relation to social housing activities. See paragraph 7a of the Direction: every large PRP must prepare their accounts so that the information in Notes A and B below is shown (in relation to profit-making PRPs, only in so far as its accounts relate to social housing activities).

Note A: Particulars of turnover, cost of sales, operating expenditure and operating surplus

10. Note A requires PRPs to distinguish between turnover, cost of sales, operating expenditure and operating surplus for social housing and other activities. ‘Social housing’ has the meaning given in sections 68 and 77 of the Housing and Regeneration Act. In addition, this Direction requires PRPs to segment social housing activity by social housing lettings (that relates to the provision of homes for rent) and other social activities. Both terms are defined in the glossary section of this Direction.

	Turnover	Cost of sales	Operating expenditure	Operating surplus/ (deficit)
	£	£	£	£
Social housing lettings (Note B)				
Other social housing activities:				
First tranche low-cost home ownership sales				
Charges for support services				
Other				
Activities other than social housing				
Total				

Notes:

- a. Material items of social housing activity should be separately identified.
- b. Where material sums are involved, additional analysis should be provided.
- c. Additional lines should be included within Notes A and B to ensure consistency with the Operating Surplus and Deficit line in the Statement of Comprehensive Income. The SORP (paragraph 3.17) and FRS102 (paragraph 5.9 and 5.9b) set out that the definition of operating surplus/(deficit) may be considered a critical judgement, and that the disclosures should be representative of activities that would normally be regarded as 'operating'.
- d. Depending on the judgement made, additional lines included as operating activities may include the following:
 - i. the disclosure of profits or losses on the sale of property, plant and equipment (covered by FRS 102 Section 17.28)
 - ii. gift aid (covered by FRS 102 B29.12)
 - iii. revaluation of investment properties (FRS 102 Section 16.7).

Note B: Particulars of turnover and operating expenditure from social housing lettings

11. This Direction requires PRPs to provide a further breakdown of turnover and operating expenditure associated with social housing kept available for letting.
12. Costs should be allocated to main headings as far as possible, or additional lines added for material areas of expenditure.
13. RSH publishes guidance as part of its annual approach to collecting regulatory returns. Regulatory return requirements are set out in Regulating the Standards⁶. The guidance for the Financial Viability Accounts (FVA) return can be used as a reference in respect of note B.
14. Guidance is available through the documents and templates section of the NROSH+ data collection system: <https://nroshplus.regulatorofsocialhousing.org.uk/>.

Establishment of private registered provider

16. A statement of the legislative provisions under which the PRP is established.

Financial reporting standards

17. The basis and standards under which the accounts have been prepared. Particulars of and reasons for any material departures from those should be stated.

Analysis of intra Group transactions between PRPs and non-PRPs

18. Every PRP shall demonstrate a transparency in the flow of funds, allocation of overheads and transactions between registered and unregistered entities within the Group.
19. Where a PRP transacts with an Associate, Subsidiary or other Group member which is not a PRP or is an unregistered entity, financial statements prepared shall:
 - describe the basis of any significant apportionment, recharge or allocation of turnover, costs, assets and liabilities between the PRP and the other party

 - specify which Associates, Subsidiaries or other Group members have been involved in the apportionment or allocation
 - include any cross guarantees, debts between Group entities or financial support made across Group members.

Narrative reporting

20. The financial statements should be accompanied by a narrative report applicable to the constitutional structure of the PRP. This may be a strategic¹¹ report or Directors' report (or equivalent) covering the development and provision of social housing and social housing activities for the period.
21. PRPs with at least 5,000 homes¹² are expected to produce a strategic report. Smaller PRPs are encouraged to publish a report commensurate with the size of the business. The report should provide a balanced and comprehensive but concise analysis consistent with the size and complexity of the business of the:
- PRP's development and performance during the financial year, including an assessment of the business model used and key financial and non-financial indicators
 - effects of material estimates and judgements upon reported performance
 - principal risks and uncertainties facing the PRP, including factors arising from subsidiaries or joint ventures
 - main trends and factors underlying the development, performance and position of the PRP (or Group) and which are likely to affect it in the future.
22. Value for Money reporting requirements are set out in the Value for Money (VFM) Standard¹³ and are amplified in the VFM Code of Practice¹⁴. PRPs must annually publish evidence within the statutory accounts, at a Group level, to enable stakeholders to understand the PRP's:
- performance against its own VFM targets and any metrics set out by the regulator, and how that performance compares to peers
 - measurable plans to address any areas of underperformance, including clearly stating any areas where improvements would not be appropriate, and the rationale for this in accordance with the regulator's standard on Value for Money.

¹² Based upon the level recommended within the SORP

¹³ The regulator enforces against the VFM Standard rather than the Code of Practice

¹⁴ Value for Money Standard and Code of Practice - GOV.UK (www.gov.uk)

23. All PRPs must undertake an assessment of their compliance with the Governance and Financial Viability Standard at least once a year. PRPs must certify compliance with the Standard during the course of the year and up to the signing of the accounts within the narrative report, or explain why it has not been possible to comply with the Standard. Any non-compliance identified since the previous report should be explained. The code of governance that has been adopted by the PRP should also be disclosed.

Extension of definition of Director

24. In paragraphs 25 to 33 below, 'Director' also includes the Chief Executive and any other person who is a member of the executive management team, or its equivalent, of the PRP.

Annex 1: Glossary of terms

Words and expressions used in this Direction shall, unless the context requires otherwise, have the following meanings:

‘Associate’ is an entity, including an unincorporated entity such as a partnership, over which the investor has significant influence and that is neither a subsidiary nor an interest in a joint venture.

‘The Act’ means the Housing and Regeneration Act 2008.

‘Board’ means the governing body of a PRP.

‘Capital Grant’ means the grants listed in section 77(3) of the Act and grants under section 27A of the Housing Act 1996.

‘Care homes’ Units should be reported as care homes if they are social housing (see definition below) as well as meeting the definition of care home specified in the Rent Policy Statement. In general, this is likely to mean that only units in care homes providing personal care (rather than nursing care) should be reflected in this category. Other care homes units should be reported as non-social housing.

‘Chief Executive’ means the person who has overall responsibility for the running of the day-to-day affairs of the PRP’s social housing activities.

‘Director’ means a member of the Board of the PRP.

‘Financial assistance’ means that provided by Homes England and/or the Greater London Authority under section 19 of the Act or section 333 ZE of the Greater London Authority Act 1999 (respectively).

‘FRS 102’ means the Financial Reporting Standard applicable in the UK and Republic of Ireland as published and amended from time to time by the Financial Reporting Council.

‘General needs housing’ covers the bulk of social housing rental accommodation. It includes both self-contained and hostel/shared housing units and bed spaces. General needs housing is stock that is not designated for specific client groups or investment programmes.

‘Group’ in relation to a PRP means that body and its subsidiaries and associates and includes those subsidiaries and associates whether or not they are PRPs.

‘Housing for older people’ means social housing made available exclusively to older people and fully meets the definition of supported housing specified in the Welfare Reform and Work Act 2016 and regulations made under it.

‘Key management personnel’ has the same meaning as set out in section 33.6 of FRS 102, being ‘those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any Director (whether executive or otherwise) of that entity’. Within a PRP these are likely to be members of a Board of management, senior management team or equivalent.

‘Low-cost home ownership (LCHO)’ LCHO accommodation is defined in the Housing and Regeneration Act 2008 as being that occupied or made available for occupation in accordance with shared ownership arrangements, shared equity arrangements, or shared ownership trusts; and it is made available to people whose needs are not adequately served by the commercial housing market.

‘Large PRP’ means a PRP which owns 1,000 or more homes on the first day of the period of account.

‘Private registered provider’ (PRP) has the meaning given in section 80(3) of the Act.

‘Recycled Capital Grant Fund’ (RCGF) means the fund used to recycle grant in accordance with procedures and policies specified by the Homes England under sections 32 of the Act and by the GLA pursuant to section 333 ZE of the Greater London Authority Act 1999.

‘Social housing’ has the meaning given in sections 68 and 77 of the Act. Social Housing activities means accommodation, facilities or service provided by a registered provider in connection with the provision of a social housing unit or its management, as determined by the Board and as discussed in the Governance and Financial Viability Standard Code of Practice.

In respect of Part 1: Notes A and B, **‘social housing lettings’** activities means operating income and expenditure directly and indirectly associated with social housing kept available for letting. This will include the provision, maintenance, improvement and management of properties. Social housing kept available for letting includes the following:

- a. low-cost rental accommodation (defined by section 69 of HRA 2008), and
- b. low-cost home ownership accommodation (defined by section 70 of HRA 2008) where the freeholder/provider charges a rent on the remaining share.

In respect of Part 1: Notes A and B, **‘Other social housing activities’** means operating income and expenditure in connection with social housing provision but not covered by the definition of social housing lettings activities provided above.

‘SORP’ means the ‘Statement of Recommended Practice for registered social housing providers’ issued jointly by the National Housing Federation (NHF), Community Housing Cymru, the Northern Ireland Federation of Housing Associations and the Scottish Federation of Housing Associations and published by the NHF, as amended or re-issued from time to time.

‘Standards’ means the standards set by the regulator using its powers under sections 193 and 194 of the Act.

‘Subsidiary’ is an entity, including an unincorporated entity such as a partnership that is controlled by another entity (known as a parent).

‘Supported housing’ has the meaning given in regulation 2 of the Social Housing Rents (Exceptions and Miscellaneous Provisions) Regulations 2016 being low-cost rental accommodation provided by a registered provider which:

- a. is made available only in conjunction with the supply of support
- b. is made available exclusively to households including a person who has been identified as needing support, and
- c. falls into one or both of the following categories:
 - i. accommodation that has been designed, structurally altered or refurbished in order to enable residents with support needs to live independently; and
 - ii. accommodation that has been designated as being available only to individuals within an identified Group with specific support needs.

For the purposes of this definition, “support” includes:

- a. sheltered accommodation
- b. extra care housing
- c. domestic violence refuges
- d. hostels for the homeless
- e. support for people with drug or alcohol problems
- f. support for people with mental health problems
- g. support for people with learning disabilities and/or disabilities
- h. support for offenders and people at risk of offending
- i. support for young people leaving care
- j. support for teenage parents
- k. support for refugees.

‘Units owned’ For the purposes of this data collection, a provider owns property when it: (a) holds the freehold title or a leasehold interest in that property; and (b) is the body with a direct legal relationship with the occupants of the property (this body is often described as the landlord). In this context there is an important difference between landlords and managing agents. The landlord is the body with legal responsibility under the tenancy or license and entitled to charge rent or a license fee from occupants of the property. If the owner has a leasehold interest in the property, that lease can be of any duration, as the length of lease that the landlord holds does not determine whether it is owned or not.

‘Units managed’ For the purposes of our data collection, a property is managed by the provider responsible for the day-to-day management of the tenancy or license (for e.g., issuing paperwork, collecting rent, etc.). If a provider manages the property under an agreement but does not own it (see definition of ownership), that organisation is not the landlord, but it may report the unit as under management. If an organisation is responsible for the provision of care to the tenant, but not for the kind of functions described as management above, it is not the managing organisation for these purposes.
