

Vaccine Analysis Print
FOI 21/1053 CSC 67024 - Pfizer/BioNTech Vaccine -
Gibraltar

Report Run Date: 08-Oct-2021
Data Lock Date: 29-Sep-2021 18:30:03

All UK spontaneous reports received up to and including 29/09/2021 for mRNA Pfizer/BioNTech vaccine where the reporter has concurrently provided a postal code that is located within Gibraltar.

A report of a suspected ADR to the Yellow Card scheme does not necessarily mean that it was caused by the vaccine, only that the reporter has a suspicion it may have. Underlying or previously undiagnosed illness unrelated to vaccination can also be factors in such reports. The relative number and nature of reports should therefore not be used to compare the safety of the different vaccines. All reports are kept under continual review in order to identify possible new risks.
