

EMPLOYMENT TRIBUNALS
London Central Region

Claimant: Dr C Mallon

Respondent: Johnson Matthey PLC

JUDGMENT

1. The Claimant's application by email dated 30/12/21 for reconsideration of the deposit orders is dismissed.
2. The Claimant having failed to pay the deposits by 7/1/22 or at all, the claims are dismissed.

REASONS for paragraph 1 above

1. In an email of 30th December 2021, (which was referred to me for the first time on 17/1/22) the Claimant has made what appears to be an application for a reconsideration of the Deposit Order dated 10/12/2021. However, a reconsideration under rule 70 applies only to a "judgment". A Deposit Order is not a "judgment" and is not therefore apt for reconsideration. In addition, rule 71 states that any application for reconsideration shall be made within 14 days of the date on which the decision was sent to the parties. The Claimant's email to the Tribunal was sent more than 14 days after the Deposit Order was sent to the parties.
2. To the extent that I had power to review the amount of the deposits pursuant to the Claimant's application I would have refused to do so in any event, the Claimant not having given disclosure of the amount of equity he owns in his two jointly-owned houses.
