

META PLATFORMS, INC./GIPHY, INC. FINAL ORDER

Final Enforcement Order made by the Competition and Markets Authority pursuant to section 84 of the Enterprise Act 2002

Whereas:

1. On 15 May 2020, Facebook, Inc. through its subsidiary, Tabby Acquisition Sub, Inc., (together “**Facebook**”) completed its acquisition of Giphy, Inc. (“**Giphy**”) (the “**Merger**”).
2. On 9 June 2020 the Competition and Markets Authority (the “**CMA**”) made an Initial Enforcement Order (the “**IEO**”) pursuant to section 72 of the Enterprise Act 2002 (the “**Act**”) requiring Facebook and Giphy to remain independent and to prevent pre-emptive action.
3. On 19 June 2020, the CMA issued directions under the IEO for the appointment of a monitoring trustee in order to monitor and ensure compliance with the IEO. On 30 July 2020, the CMA issued directions under the IEO for the appointment of a Hold Separate Manager in order to ensure compliance with the IEO.
4. On 1 April 2021, the CMA in exercise of its duty under section 22(1) of the Act, referred the Merger, for further investigation and report (the “**Reference**”) by a group of CMA panel members (the “**Inquiry Group**”).
5. On 29 June 2021, a variation order was made to the IEO. Any derogations already granted by the CMA pursuant to the IEO shall remain applicable.
6. On 28 October 2021 Facebook changed its corporate name to Meta Platforms, Inc. (“**Meta**”) pursuant to an amended and restated certificate of incorporation filed with the Delaware Secretary of State on October 28, 2021. The only change to the company’s Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws was the change of the company’s corporate name from Facebook, Inc. to Meta Platforms, Inc..
7. On 30 November 2021 the CMA published a final report pursuant to section 38 of the Act (the “**Final Report**”) which concluded that:
 - a) the Merger had resulted in the creation of a relevant merger situation;

- b) the creation of that situation has resulted, or may be expected to result, in a substantial lessening of competition (the “**SLC**”) in the following respects:
- (i) in the supply of display advertising in the UK due to horizontal unilateral effects arising from a loss of dynamic competition; and
 - (ii) in the supply of social media services worldwide due to vertical effects resulting from input foreclosure;
- c) the CMA should take action to remedy the SLCs identified and any adverse effects likely to arise; and,
- d) undertakings should be given to the CMA or where undertakings are not agreed, an order made to give effect to the remedy identified in Chapter 11 of the Final Report.
8. The CMA in the Final Report recognised the change of corporate name from Facebook, Inc. to Meta Platforms, Inc. References to ‘Facebook’ throughout were retained as the inquiry related to the acquisition of Giphy under the previous corporate name but remedial enforcement would be undertaken using the name ‘Meta’.
9. The CMA, having regard to its findings in the Final Report, requires the divestiture of Giphy by Meta (the “**Remedy**”).
10. The implementation of the Remedy will be subject to among others the following safeguards:
- (a) The CMA will need to satisfy itself of the suitability of the Potential Purchaser of the Divestment Business (see Schedule 1);
 - (b) Provisions are included in this Order for the CMA’s ability to appoint a Divestiture Trustee (see Article 8).
11. On 20 December 2021 Meta advised that it did not intend to offer undertakings.
12. The IEO will cease to be in force on the date on which this Order is made, pursuant to [section 72\(6\)\(a\)\(ii\)](#) of the Act.
13. On 23 December 2021 Meta made an application to the Competition Appeal Tribunal (the “**Tribunal**”) pursuant to [section 120](#) of the Act for a review of the CMA’s decision in the Final Report. The Order, while commencing on the day it is made, is drafted such that the time period to comply with the Final Disposal will commence until the day following the date on which proceedings are finally determined (after conclusion of any appeal proceedings) or no longer pursued.

14. NOW, as Undertakings were not forthcoming, for the purpose of remedying, mitigating or preventing the SLCs identified in the Final Report and any adverse effects which have resulted from, or may be expected to result from it and in performance of its duty under [section 41](#) and in exercise of its powers under [section 84\(1\), \(2\) and \(3\)](#), [section 86\(1\) to \(5\)](#), [section 87](#) and paragraphs 2, 10, 11, 12, 13, 14,19, 20C, 21, 22 and 24 of [Schedule 8](#) to the Act, the CMA makes the following Order:

10.1 Meta shall not, without the prior written consent of the CMA, re-acquire the Divestment Business (in whole or in part) or any assets relating to the Giphy Business, or acquire any material influence over them, for a period of 10 years from Final Disposal.

11. Procedure for consent and approval

11.1. Where the consent or approval of the CMA is required by Meta or Giphy (however that requirement is expressed in this Order), Meta or Giphy will seek the consent or approval in writing.

11.2. Any application by Meta or Giphy for the CMA's consent or approval must make full disclosure of every fact and matter within its knowledge that it reasonably believes is relevant to the CMA's decision (the "**Relevant Information**"). Where the CMA considers that full disclosure has not been provided, it shall inform Meta or Giphy, and Meta or Giphy must promptly provide such additional information as the CMA requires.

11.3. Where the CMA grants consent or approval on the basis of misleading or incomplete information, the consent or approval is voidable at the election of the CMA.

11.4. In the event that Meta or Giphy discovers that an application for consent or approval has been made without full disclosure of the Relevant Information to the CMA, Meta or Giphy must:

- (a) inform the CMA in writing, identifying the Relevant Information that it omitted to include in the application for consent within two working days of becoming aware that the Relevant Information is incomplete or incorrect; and
- (b) at the same time, or no later than two working days starting with the date on which Meta or Giphy has informed the CMA of the omission or inaccuracy, provide to the CMA an application for consent that includes the missing and/or correct Relevant Information.

11.5. Meta or Giphy must use all reasonable endeavours to make each application for consent or approval so that it is received by the CMA at least 15 working days, or such lesser period as the CMA may allow, before the day on which the CMA's consent or approval is necessary to avoid a breach of this Order.

12. Severability

12.1. If any provision of this Order is or becomes contrary to law or invalid for any reason, Meta and Giphy shall continue to observe the remaining provisions.

12.2. Meta shall not rely on any default or want of authority on the part of Meta or Giphy or of any officer or employee of Meta or Giphy in the execution of this Order unless directed so to do by the CMA.

13. Provision of Information to the CMA

13.1. Any person to whom this Order applies shall promptly provide to the CMA such information as the CMA may reasonably require for the purposes of enabling the CMA to monitor the carrying out of this Order or any provisions of this Order; to review the effectiveness of the operation of this Order, or any provision of this Order; or perform any of its functions under this Order or sections 84 and 92, 93 or 94 of the Act.

13.2. Any person to whom this Order applies may be required by the CMA to keep and produce those records specified in writing by the CMA that relate to the operation of any provisions of this Order.

13.3. Any person to whom this Order applies and whom the CMA believes to have information which may be relevant to the monitoring or the review of the operation of any provisions of this Order may be required by the CMA to attend and provide such information in person.

13.4. Subject always to Part 9 of the Act, the CMA may publish any information or documents that it has received in connection with the monitoring or the review of this Order or any provisions of this Order for the purpose of assisting the CMA in the discharge of its functions under or in connection with this Order.

13.5. If Meta or Giphy has any reason to suspect that any provision of this Order has been breached or is likely to be breached it shall immediately write to the CMA to advise the CMA of the circumstances of such suspicions.

14. Service

14.1. Any communication from Meta or Giphy to the CMA under this Order shall be addressed to Joanne Webb, Competition and Markets Authority, The Cabot, 25 Cabot Square, London E14 4QZ, joanne.webb@cma.gov.uk or to such other person or address as the CMA may notify to Meta or Giphy in writing.

15. Powers of direction

15.1. The CMA may give directions falling within this Order to:

- (a) A person specified in the directions; or
- (b) A holder for the time being of an office so specified in any body or person corporate or unincorporated.

15.2. Directions fall within this Article if they are written directions:

- (a) To take such steps as may be described in the directions for the purpose of carrying out or ensuring compliance with this Order; or
- (b) To do, or refrain from doing, anything so described which the person might be required by this Order to do or refrain from doing.

15.3. The CMA may vary or revoke any directions so given.

15.4. Meta shall comply and, where necessary, to procure that its subsidiaries comply, with all Directions the CMA may issue relating to this Order and will promptly take such steps as may be specified or described in the Directions.

16. Acceptance of Service

16.1 Meta hereby authorises its legal representatives David Little (David.Little@lw.com) and Greg Bonné (Greg.Bonne@lw.com) of Latham & Watkins, 99 Bishopsgate, London, EC2M 3XF to accept service of all documents, orders, requests, notifications or other communications connected with this Order (including any such document which falls to be served on or sent to Meta or its subsidiaries or Affiliates in connection with proceedings in court in the UK).

16.2 Giphy hereby authorises its legal representatives, Jackie Holland of Cleary Gottlieb Steen & Hamilton LLP (2 London Wall, London, EC2Y 5AU) and Bruce Kilpatrick of Addleshaw Goddard LLP (60 Chiswell St, London, EC1Y 4AG) to accept service of all documents, orders, requests, notifications or other communications connected with this Order (including any such document which falls to be served on or sent to Giphy or its subsidiaries or Affiliates in connection with proceedings in court in the UK).

16.3 Unless Meta or Giphy informs the CMA that their legal representatives have ceased to have authority and have informed the CMA of an alternative to accept and acknowledge service on their behalf, any document, written directions, order, request, notification or other communication connected with this Order shall be deemed to have been validly served, as applicable, on Meta or Giphy if it is served on their applicable respective legal representatives, and service or receipt shall be deemed to be acknowledged by email from Meta's or Giphy's legal representatives to the CMA.

16.4 Paragraph 16.1 has effect irrespective of whether, as between Meta and its legal representatives, or Giphy and its legal representatives, their respective legal representatives have or continue to have any authority to accept and acknowledge service on their behalf (unless they inform the CMA that Meta's

or Giphy's legal representatives have ceased to have authority to accept and acknowledge service on their behalf), and no failure or mistake by Meta's or Giphy's legal representatives (including a failure to notify, as applicable, Meta or Giphy, of the service of any document, order, request, notification or other communication) shall invalidate any action taken in respect of this Order, including any proceeding or judgment pursuant to this Order.

17. Governing Law

- 17.1 This Order shall be governed and construed in all respects in accordance with English law.
- 17.2 Any dispute arising concerning this Order shall be subject to the jurisdiction of the courts of England and Wales.
- 17.3 Any contractual obligations arising out of or in connection with this Order shall be governed and construed in all respects in accordance with English law.

18. Termination

- 18.1 This Order shall continue in force until such time as it is varied or revoked under the Act.
- 18.2 The variation or revocation of this Order shall not affect the validity or enforceability of any rights or obligations that arose prior to such variation or revocation.

Schedule 1: Suitable Purchaser Criteria

The criteria on which the suitability of a Potential Purchaser of the Divestment Business will be assessed are as follows:

(a) Independence:

- i. The Potential Purchaser must have no significant connection to Meta or conflicts of interest that could reasonably be expected to compromise its incentives to compete effectively with Meta (eg financial, management, reciprocal commercial arrangements, equity interest, common significant shareholders, shared directors).

(b) Capability:

- i. The Potential Purchaser must have access to appropriate financial resources, expertise (including managerial, operational and technical capability) and assets to enable Giphy to be an effective competitor in the market and to continue to innovate and supply GIF products and content. This access should be sufficient to enable Giphy to continue to develop as an effective competitor.
- ii. The CMA will also consider the ability of the Potential Purchaser to complete the transaction in a timely manner and within the agreed divestiture process timetable.

(c) Commitment:

The CMA will wish to satisfy itself that the Potential Purchaser has:

- i. an appropriate business plan for the further development of Giphy's pre-Merger strategy, including the monetisation of its products, and its plans for activities in the UK; and
- ii. the incentive and long-term commitment to maintain and operate the Giphy business as a supplier of GIFs and as an active business in competition with Meta and other competitors in the relevant.

(d) Absence of competition concerns:

The CMA must be confident that the Potential Purchaser does not itself create a realistic prospect of competition concerns within any market or markets in the UK, and that it would not expect to investigate an acquisition of Giphy by this Potential Purchaser regardless of whether or not the transaction constitutes a relevant merger situation under the Act. The CMA will also consider whether the terms of the Transaction Agreement would give rise to

a material risk that the sale of the Divestment Business to the Potential Purchaser would not remedy the SLC and any adverse effects likely to arise from it.

Schedule 2: Appointment and Functions of the Divestiture Trustee

Nomination of a Divestiture Trustee

1. Within the period of five working days following the day on which the CMA issues a direction pursuant to Article 8 of this Order, Meta shall submit to the CMA for approval a list of two or more persons whom Meta proposes to appoint as Divestiture Trustee.
2. Each person on the list referred to in paragraph 1 above shall be independent of and unconnected to Meta and Giphy, possess the qualifications necessary for the performance of the Divestiture Trustee Mandate and shall on appointment and thereafter be free of any conflict of interest including any conflict of interest that might arise by virtue of the terms of remuneration.
3. The CMA may approve or reject any or all of the proposed persons (such approval not to be unreasonably withheld) and may approve the proposed Divestiture Trustee Mandate subject to any modifications it deems necessary for the Divestiture Trustee to fulfil the Divestiture Trustee Obligation. If only one proposed person is approved, Meta shall use its reasonable endeavours to appoint the person concerned as Divestiture Trustee in accordance with the Divestiture Trustee Mandate approved by the CMA. If more than one proposed person is approved, Meta shall decide which person to appoint as Divestiture Trustee from among the approved persons. Meta shall appoint the Divestiture Trustee within two working days from the CMA's approval and on the terms of the Divestiture Trustee Mandate.
4. If all the proposed Divestiture Trustees are rejected by the CMA, Meta shall submit the names of at least two further persons within four working days from being informed of the rejection, in accordance with the requirements and the procedure set out in paragraphs 1 to 3 above.
5. The provisions of paragraph 6 shall apply if:
 - (a) Meta fails to nominate further persons in accordance with paragraph 4;
 - (b) Those further persons nominated by Meta in accordance with paragraph 4 are rejected by the CMA, acting reasonably; or
 - (c) Meta is unable for any reason to conclude the appointment of the Divestiture Trustee within the time limit specified by the CMA.
6. The CMA shall nominate one or more persons to act as Divestiture Trustee, and Meta shall appoint one of those Divestiture Trustees within two working

days starting with the date of nomination under the terms of the Divestiture Trustee Mandate.

7. The function of the Divestiture Trustee is distinct from the function of the Monitoring Trustee, although the two functions may be performed by the same person subject to that person meeting the requirements of paragraph 2.
8. Meta shall remunerate and reimburse the Divestiture Trustee for all reasonable costs properly incurred in accordance with the terms and conditions of his or her appointment and in accordance with the directions or instructions given in paragraph 10, in such a way so as not to impede the Divestiture Trustee's independence or ability to effectively and properly fulfil the Divestiture Trustee Obligation.

Divestiture Trustee Obligation

9. The Divestiture Trustee shall undertake such preparatory matters as it considers necessary to discharge the Divestiture Trustee Obligation and for these purposes may give written directions, approved by the CMA, to Meta. Meta shall comply with any such written directions.
10. The CMA may, on its own initiative or at the request of the Divestiture Trustee or Meta, give written directions or instructions to the Divestiture Trustee in order to assist it in the discharge of the Divestiture Trustee Obligation (including directions as to the divestiture of such property, assets, rights, consents, licences, privileges or interests as the CMA considers necessary to bring about Final Disposal).
11. The Divestiture Trustee may enter into such agreements, deeds, instruments of transfer and other instruments and documents as are necessary for the performance of its Divestiture Trustee Obligation, on such terms and conditions as it reasonably considers appropriate and approved by the CMA.
12. The Divestiture Trustee shall protect the legitimate financial interests of Meta subject to the Divestiture Trustee's overriding obligation to give effect to the Divestiture Trustee Obligation [X].
13. The Divestiture Trustee shall take such steps and measures as it considers necessary to discharge the Divestiture Trustee Obligation. To that end the Divestiture Trustee may give written directions to Meta. Meta shall comply with such directions and take such steps as the Divestiture Trustee may specify.
14. The Divestiture Trustee shall act solely on the instructions of the CMA in the performance of the Divestiture Trustee Obligation and shall not be bound by

any instruction of Meta. Meta shall not seek to create or vary the obligations and duties of the Divestiture Trustee except with the CMA's prior written consent.

15. The Divestiture Trustee shall every two weeks until the date on which Final Disposal takes place, report to the CMA on its progress towards Final Disposal, compliance with Article 6.2 of this Order and any other matter specified by the CMA.

Divestiture Trustee – obligations of Meta

16. Meta shall do all things necessary and expedient to enable the Divestiture Trustee to carry out the Divestiture Trustee Obligation.
17. Meta shall provide the Divestiture Trustee with all such cooperation, assistance and information (including the production of financial or other information whether or not such information is in existence at the time of the request but excluding any material subject to legal privilege) as the Divestiture Trustee may reasonably require in the discharge of the Divestiture Trustee Obligation.
18. The Divestiture Trustee shall be entitled, subject to the duty of confidentiality, to full and complete access to the books, records, documents, management or other personnel, facilities, sites and technical information necessary for the fulfilment of its duty (save where material is subject to legal privilege). Meta shall provide the Divestiture Trustee with copies of any such document upon request. On the request of the Divestiture Trustee, Meta shall (i) subject to Meta's COVID 19 policies, make available to the Divestiture Trustee one or more offices on its premises and (ii) in any event ensure that personnel are available where necessary for meetings in order to provide the Divestiture Trustee with all information necessary for the performance of the Divestiture Trustee Obligation.
19. Meta shall grant reasonable and comprehensive powers of attorney to the Divestiture Trustee on terms approved by the CMA to enable the Divestiture Trustee to discharge the Divestiture Trustee Obligation. Meta shall, upon the reasonable request of the Divestiture Trustee, execute the documents required to give effect to the Divestiture Trustee Obligation. The powers of attorney shall include the appointment of advisers to assist with the divestiture process. Before appointing any advisers, the Divestiture Trustee will consider using the advisers already appointed by Meta and will only appoint advisers (whether in replacement of, or in addition to Meta's advisers) if it reasonably considers the appointment of such advisers necessary or appropriate in the

discharge of the Divestiture Trustee Obligation. The CMA may issue directions requiring any action specified in this paragraph.

20. Meta shall hold the Divestiture Trustee, its employees, agents or advisers harmless against any liabilities arising out of the proper performance of the Divestiture Trustee Obligation. The Divestiture Trustee, its employees, agents or advisers shall have no liability to Meta for any liabilities arising out of the performance of the Divestiture Trustee Obligation, except to the extent that such liabilities result from the wilful default, recklessness, negligence or bad faith of the Divestiture Trustee, its employees, agents or advisers.
21. Meta shall make no objection to the fulfilment by the Divestiture Trustee of the Divestiture Trustee Obligation or any part thereof save on the grounds of bad faith by the Divestiture Trustee or failure of the Divestiture Trustee to reasonably protect the legitimate financial interests of Meta, subject always to the Divestiture Trustee Obligation; and where Meta wishes to make an objection on these grounds it shall submit to the CMA a notice setting out its objections promptly and no later than two working days from the day on which it became aware of the facts giving rise to its objection.
22. Meta shall be entitled to a monthly statement from the Divestiture Trustee of all professional fees and expenses properly incurred by the Divestiture Trustee and its advisers. Any individual items of costs or expenses in excess of an amount at a level set in advance by the CMA in consultation with the Divestiture Trustee shall not be properly incurred unless with the prior written consent of the CMA, Meta having had prior opportunity to comment to the CMA on both the level to be set in advance and any individual items of cost or expense that exceed that amount, on the condition that Meta shall provide such comments to the CMA within a timescale specified by the CMA that shall be reasonable in all the circumstances.
23. Meta shall remunerate and reimburse the Divestiture Trustee for all professional fees, expenses and reasonable costs properly incurred in accordance with the terms and conditions of its appointment. This may include all costs, expenses and professional fees of financial or legal advisers appointed to assist with the fulfilment of the Divestiture Trustee Obligation in accordance with paragraph 19.

Divestiture Trustee – replacement, discharge, and reappointment

24. If the Divestiture Trustee ceases to perform the Divestiture Trustee Obligation, or for any other good cause, including the exposure of the Divestiture Trustee to a conflict of interest, the CMA may issue directions to dismiss the Divestiture Trustee.

25. If the Divestiture Trustee is removed under paragraph 25 above, the Divestiture Trustee may be required to continue in its post until a new Divestiture Trustee is in place to whom the Divestiture Trustee has effected a full handover of all relevant information. The new Divestiture Trustee shall be appointed in accordance with the procedure in paragraphs 1 to 6.
26. Other than in accordance with paragraph 25 the Divestiture Trustee shall cease to act as Divestiture Trustee only after the CMA has discharged it from its duties at a time when all the functions with which the Divestiture Trustee has been entrusted have been met.

Schedule 3: Appointment and Functions of the Hold Separate Manager

Meta shall within the period of five working days starting with the day on which a direction is made by the CMA pursuant to Article 9 of this Order, submit to the CMA for approval a list of two or more persons who they propose to appoint as Hold Separate Manager. 2. Each person on the list referred to in paragraph 1 above shall be independent of and unconnected to Meta, possess the qualifications necessary for the performance of the Hold Separate Manager Mandate and shall on appointment and thereafter be free of any conflict of interest including any conflict of interest that might arise by virtue of the terms of remuneration.

- 7. The function of the Hold Separate Manager is distinct from the function of the Divestiture Trustee, although the two functions may be performed by the same person subject to that person meeting the requirements of paragraph 2.
- 8. Meta shall remunerate and reimburse the Hold Separate Manager for all reasonable costs properly incurred in accordance with the terms and conditions of his or her appointment and in accordance with the directions or instructions given in paragraph 12, in such a way so as not to impede the Hold Separate Manager's independence or ability to effectively and properly fulfil the Hold Separate Manager Obligation.

Hold Separate Manager Obligation

- 9. The primary obligation of the Hold Separate Manager will be to exercise day-to-day management and control of Giphy so as to preserve and, if necessary, restore effective competition in the markets affected by the Merger. The Hold Separate Manager will exercise management and control of Giphy in such a way as to ensure that it is held separate from the Meta Business.

Hold Separate Manager Reporting Obligations

15. The Hold Separate Manager will provide to the CMA:
 - (a) Within seven days from the date of his appointment a written report reporting on such matters as are specified by the CMA, including any events giving rise to their appointment as Hold Separate Manager; and

Meta shall remunerate the Hold Separate Manager and reimburse the Hold Separate Manager in full for all reasonable costs and expenses properly incurred, in accordance with the terms and conditions of the Hold Separate Manager's appointment, provided that such remuneration and reimbursement shall not give rise to any conflict of interest or otherwise impair the ability of the Hold Separate Manager to discharge the Hold Separate Manager Obligation. For the avoidance of doubt such reimbursement shall include the fees and disbursements of such legal or other professional advisers, consultants and assistants as the Hold Separate Manager reasonably considers necessary for the discharge of the Hold Separate Manager Obligation.
19. The Hold Separate Manager may give written directions to Meta and/or Giphy. Meta and Giphy shall comply with such directions as the Hold Separate Manager may specify and cooperate fully with the Hold Separate Manager in its performance of the Hold Separate Manager Obligation.
