| Alert Number | 2012-0211 |
| Product Type | Electrical Appliances and Equipment – Smoke Machine |
| Product Identifiers | EAN: H007849ACB0C1 Model No: JK-45-12/46 |
| Product Description | Black fog machine/mist maker with electrical lead and 2-pin Euro plug, packaged in white and blue cardboard packaging. |
| Country of Origin | China |
| Counterfeit | Yes |
| Risk Level | Serious |
| Risk Type | Fire, Electric Shock |
| Risk Description | The insulation of the transformer and power supply is inadequate and may fail to protect against creepage currents, leading to a flashover emitting sparks which presents a serious risk of fire. The transformer also poses a risk of electric shock as the creepage and clearance distances are too short. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016. The product was also fitted with a two-pin plug and did not comply with the Plugs and Sockets (Safety) Regulations 1994. |
| Corrective Measures | The authority has required the recall of the product from the end user. |
| Online Marketplace | Wish – The listing has been removed by the online marketplace. |
| Notifier | Office for Product Safety and Standards |
