| Playtive Safari Wooden Monkey Rattle and Wooden Elephant Gripper Toy | |
|---|--|
| Aspect | Details |
| Images |  <p>Style F</p> <p>Style E</p> |
| Alert Number | 2110-0093 |
| Product Type | Toys – Rattle and Gripper Toys |
| Product Identifiers | IAN numbers: 364427_2010 & 364427_2010 Model Numbers: MS-9103 & MS-9102 |
| Product Description | <p><u>Style E</u>: The disc is a figure of an elephant made of wood. It has four wheels, which are connected by riveted joints. Between the wheels is a ring-shaped disc with a hole in the middle for gripping.</p> <p><u>Style F</u>: Consists of two round wooden discs connected by five wooden struts arranged in a circle, forming a round cage with a wooden ball inside. In the centre, the two wooden discs are additionally secured by a rivet bar connection.</p> |
| Country of Origin | Germany |
| Counterfeit | No |
| Risk Type | Choking |
| Risk Description | The toys present a choking hazard as the rivets may become loose, creating small parts which are a potential choking hazard for babies and small children. The product does not meet the requirements of the Toys (Safety) Regulations 2011. |
| Corrective Measures | The product has been recalled from end users. For more information, please see https://www.lidl.co.uk/our-products/product-information/product-recalls |
